## FROM THE PASTOR'S PEN

### MISSIONARY DISCIPLESHIP

We are hard at work on preparing the soil for our parishioners as we begin the work of phase 5 of Renew My Church. This phase is called *Building the New Reality*. This final phase will lead us into the future as we work to renew our parish. We'll focus on critical steps to support parish vitality: establish a vision for the parish (where we want to be as a parish in 5, 10, 15 years and beyond); create a long term pastoral plan to make disciples, build community and inspire witness; and build and foster a culture of evangelization.

As we begin to change the culture at Divine Mercy Parish, we need to understand the importance of missionary discipleship and our call to go out and transform our world. I'd like to share with you an article on missionary discipleship written by Beth White, the Director of the Office of Evangelization and Missionary Discipleship for the Chicago Archdiocese. I think you'll find it most interesting. Enjoy!

### WHAT IS A MISSIONARY DISCIPLE IN RENEW MY CHURCH?

By Elizabeth White / Contributor

March 7, 2019

The renewal we are undergoing through Renew My Church is encouraging us to be creative and to sometimes use distinct words or phrases to capture a new concept or to provide a different way of looking at something otherwise familiar.

Through Renew My Church gatherings, the term "missionary disciple" is being used quite a bit. If

you don't know what a missionary disciple is, you are not alone.

The term is relatively new, originating in 2007 in the Aparecida document — the final document of the V General Conference of the Episcopate of Latin America and the Caribbean authored by then-Cardinal Jorge Bergoglio. The universal church was introduced to this term in the apostolic exhortation, "Evangelii Gaudium" ("The Joy of the Gospel"), written by Pope Francis in 2013.

In using the words "missionary disciple," Pope Francis stretches our thinking about the call to discipleship.

A disciple is a student, like an apprentice, who learns directly from a particular teacher. The student spends a lot of time with the teacher and develops a personal relationship with her or him, observing the work. Then the student tries — through trial and error — to capture what the teacher has taught.

Eventually the disciple becomes a master through her or his ongoing training, practice and development. A missionary is a person of faith who travels to a territory within his or her own country or outside of it to bring the Gospel message and resources to those in need; the missionary shares faith through words and actions.

So, when Pope Francis put these two words together, what did he have in mind?

As Catholics, we have the potential for discipleship by our baptism. But discipleship requires our participation in the process. We have to want to get to know the teacher, Jesus, to build a personal relationship with him and to learn from him — to ultimately follow him.

For some people, a decision to follow Jesus is a lifetime process of getting to know him through prayer, engaging Sacred Scripture and participating in the sacraments. For others, it is a moment-in-time encounter that changes their lives — an illness, a retreat experience, a time of prayer in front of the Blessed Sacrament, a sunset. It brings about a realization that God is real, and God loves them unconditionally.

Regardless of how it happens, a disciple encounters Jesus and experiences God's overwhelming love in a way that brings about a desire for forgiveness and a conversion of heart. Through this experience of repentance and conversion, a disciple chooses to align his or her life to Jesus and to follow him wherever he leads.

This is just the beginning. This encounter brings about a hunger and desire to learn more and grow in relationship with Jesus and his church through the guidance of the Holy Spirit. Reading Sacred Scripture and spiritual writers, learning more about the faith, taking up prayer more faithfully, participating in the life of the community, sharing regularly in the Eucharist and being drawn to the sacrament of reconciliation are all signs that this apprenticeship has begun.

A disciple seeks not just to know about Jesus, but to know Jesus intimately, to experience Jesus' way of life and fulfill his or her baptismal call to holiness.

After spending time with the teacher (Jesus), learning, practicing and growing, the disciple naturally wants

## PASTOR'S PEN (CON'T)

to share Jesus with others. The joy, the love, the incredible story, has to be shared.

They are ready to go outward — out from the parish into their homes, neighborhoods and communities — to share the story of how Jesus transformed their lives. They are ready to fulfill the mission of the church, Jesus' mandate to, "Go ... and make disciples" (Mt 28:19). They introduce their family, friends and neighbors to the teacher who will then apprentice these new disciples.

Pope Francis wants us to think differently about our call to discipleship. He invites us to become a missionary disciple, a follower and friend of Jesus, who has spent so much time with him, that we naturally and joyfully bring him into our daily lives, sharing stories of his love, fulfilling the mission of the church, to share the Good News.

## LENTEN SERIES

### THANKS TO OUR SECOND LENTEN SPEAKER, FR. JASON MALAVE AND ATTENDEES

Many thanks to all the parishioners who came to hear Fr. Jason Malave speak to us about the meaning of Church in the broadest sense of the word! Fr. Jason is the Cardinal's Liaison for Renew My Church, and shared his vision of church with us.

Many thanks to the Hospitality committee at St. Philip Church, led by Bobbie Weiss, who graciously hosted parishioners before Fr. Jason's presentation. We are grateful for your service!

## LENTEN SPEAKER SERIES

### BUILDING THE NEW REALITY AT DIVINE MERCY PARISH LENTEN SPEAKER SERIES: FROM MAINTENANCE TO MISSION

As we near the end of phase four of Renew My Church, the operations phase, we have a much better understanding of our needs as a new combined parish. There's still a lot of work ahead of us, but we have turned a corner and are now headed towards the final phase of renewal in which we'll begin to **build our new reality**.

The good news is that the St. Philip and Sacred Heart faith communities have begun to come together for various meetings, faith sharing sessions and celebrations. We all have to work on getting to know each other better, and that takes time. In an effort to help guide us into the final phase of building our new reality, this final session of our Lenten Speaker Series will offer parishioners insight into what the future might hold for all of us.

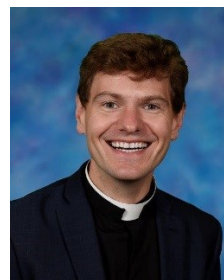

#### **MONDAY, APRIL 1st!**

**FR. PETER WOJCIK & MARCO OROPEZA:**

**BUILDING THE NEW REALITY: WHAT DOES IT MEAN?**

**Monday, April 1st at 7pm in the Sacred Heart Parish Center**

Finally, Fr. Peter Wojcik, Director of Parish Vitality and Mission, and Marco Oropeza, Chief Program Management Officer will talk about building our new reality. What does that mean? They'll discuss the need to transform our culture, and the mission we are called to embrace and sent forth into the world to realize.

As you prepare for this Lenten series, think about ways you and / or your family can help Divine Mercy help build the new reality. How can you help to live out our parish mission of making disciples, building church and serving others? Think big!

**JOIN US AT 6:30PM FOR FOOD & BEVERAGE BEFORE THE PRESENTATION BEGINS!**

## PRAYER AND WORSHIP

### STATIONS OF THE CROSS

Join us every Friday evening at 7:00 p.m. during Lent for the Stations of the Cross, which will be held at St. Philip the Apostle Church. Stations of the Cross will be held on Good Friday at Noon at Sacred Heart Church.

### EVERYDAY STEWARDSHIP: A LOOK AT THE SCRIPTURES

"He said to the gardener, 'For three years now I have come in search of fruit on this fig tree but have found none.'" (LUKE 13:7)

We can all be like the barren fig tree at times. Do you cling to what you have or do you generously share with others? How will you respond when God asks you what you have done with all the gifts He has given you? Remember, not only are we called to be generous, we are called to develop and nurture our gifts and return with increase.

### RESPECT LIFE PRAYER

That God, who always hears the cry of His people who are being oppressed, may enable us to hear those cries and to save the poor, the vulnerable, and the unborn, we pray to the Lord.

### WEEKLY SCRIPTURE REFLECTION GROUP

A scripture reflection group meets every Monday morning. We'll meet at the Sacred Heart offices after the 8:30am Mass.

We gather for one hour to read and reflect on the coming Sunday readings. No experience in scripture necessary, and everyone walks away learning something new! All are welcome—it will make your Sunday experience even more worthwhile!

### HOLY HOUR AT ST. PHILIP

Join Divine Mercy parishioners for Holy Hour every Friday afternoon at 3:00p.m. at St. Philip Church.

### ALPHA PILOT BEGINS

A primary evangelization tool of the final phase of Renew My Church, or Building Our New Reality, is called Alpha. Alpha is a series of sessions exploring the Christian faith, usually run over several weeks by lay leaders on behalf of the parish. Each talk or video looks at a different question around faith and is designed to create conversation. No two Alphas look the same, but generally they have three key things in common: food, a talk and good conversation.

Divine Mercy Parish is currently piloting Alpha, so that various lay leaders can learn how to best host these sessions in the future and welcome people into conversation about their faith.

A key component of Alpha is **prayer**. It is the Holy Spirit that leads people to conversion, so we ask that all of our parishioners pray for the participants and the success of the Alpha pilot. Thank you!

### HEALING OURSELVES FROM A PLACE OF CENTERING PRAYER

Be Still and Know That I am God.  
(Psalm 46:10)

This simple wisdom saying is an invitation given to you by God during this Lenten Season. It is a call to take time and set aside some of your activities to explore the rich wisdom and teachings of the Contemplative tradition through the Method of Centering Prayer, and come into intimate relationship with God, with yourself, with others, and learn how to rest in God in silence, stillness, and solitude. It is our hope that this journey will transform your relationship with yourself, others, and most importantly, with God.

This five-week course is an opening to the presence of God through contemplative dimension of the Gospel. The topics for the course include: The Spiritual Journey with Fr. Thomas Keating, (A Cistercian Trappist monk); Who is God - Attitudes Toward God; Emotional Programs for Happiness; and the Spiritual and Psychological Experience of Centering Prayer. Centering Prayer is a contemporary prayer of the heart, a prayer of simplicity, a prayer of faith, and a method as a way of reducing obstacles to the development of grace.

Weekly classes will be offered on 2 different days and times:

**Thursdays at 7-8:30 pm: March 7, 14, 21, 28, and April 4, 2019.**

**Saturdays at 9:15 – 10:45 am: March 9, 16, 23, 30, and April 6, 2019.**

**PLACE:** 319 WAUKEGAN RD. NORTHFIELD, ILLINOIS

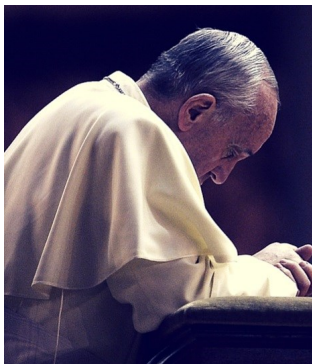

All are welcome! There are no fees, just an offering for the handouts and other materials.

## LENTEN RESOURCES

### LENT: A TIME TO CLEANSE OUR HEARTS

"Give up your faults and direct your hands rightly, and cleanse your heart from all sin." Sirach 38:10

In this time of Lent we are preparing for the celebration of Easter, when we will renew the promises of our baptism. Let us walk in the world as Jesus did, and let us make our whole existence a sign of our love for others, especially the weakest and poorest. Let us build for God a temple of our lives and make it approachable for those who we find along our journey. If we are witnesses of the living Christ, so many people will encounter Jesus in us, in our witness. But does the Lord feel at home in my life? Do we allow him to "cleanse" our hearts and to drive out the idols, those attitudes of cupidity, jealousy, worldliness, envy, hatred, those habits of gossiping and tearing down others. Do I allow him to cleanse all the behaviors that are against God, against our neighbor, and against ourselves? Jesus cleanses with tenderness, mercy, love. Mercy is his way of cleansing. Let us, each of us, let us allow the Lord to enter with his mercy to cleanse our hearts.

Reflection Question: What most hinders God from coming to dwell in the temple of my heart?

March 23, 2019

Dear Sisters and Brothers in Christ,

With this letter I write to you about a development that should disturb us greatly, both as citizens and as disciples of Jesus, the Lord of life.

Recently, two bills have been introduced in the Illinois House and Senate. The first, House Bill 2495 and Senate Bill 1942, both identical pieces of legislation, seeks to strip unborn persons of any protection – or even consideration – under the law and declare abortion to be a “fundamental right” and matter of health care. The end result is that an abortion could be obtained at any stage of pregnancy, including late term, for any reason and without any regulation. The law would no longer guarantee any modicum of humanity or compassion for any unborn person in Illinois, even if they are partially born. This legislation also repeals the Abortion Performance Refusal Act, which protects doctors, nurses and hospitals who refuse to permit, recommend, perform or assist in abortion. In so doing, rights of conscience, especially religious objections, will be lost.

The second piece of legislation House Bill 2467 and its identical Senate Bill 1594, repeals the Illinois Parental Notice of Abortion Act. This law, upheld unanimously by the Illinois Supreme Court just six years ago, has the common-sense purpose of ensuring that parents would be part of the life-altering decision of their minor child in the case she seeks an abortion. This effective law has reduced abortions performed on minors by fifty-seven percent.

As citizens of a state and people of faith who care about the common good, I urge you to join me and my brother bishops in an effort to defeat this radical departure from current law and practice in our state. Please reach out your State Representative and Senator to urge defeat of these bills. You can find the name of your appropriate politicians and their contact information at <https://www.ilcatholic.org/take-action/action-center/>. To find out more about these bills, please consult the Catholic Conference of Illinois website, [www.ilcatholic.org](http://www.ilcatholic.org), or call the Office of Human Dignity and Solidarity at 312-534-5355 for further information.

Entrusting our efforts for all life, from the moment of conception until natural death, to the care of our Blessed Mother, I am,

Sincerely yours in Christ,

## **LOOK WHAT'S HAPPENING AT SACRED HEART SCHOOL!**

The Junior Kindergartners went on a leprechaun hunt through the school to celebrate St. Patrick's Day! The students were hot on the leprechauns' trail, finding messes wherever they had been. The hunt ended in their classrooms, where they found the pot of gold!

Grades 1<sup>st</sup> - 3<sup>rd</sup> celebrated a mixed stations St. Patrick's Day party! Each room had their very own themed activity while the first, second and third graders were all mingled up which made for lots of fun!

Glencoe librarian Ms. Susan visited JK during Library and retold a Russian Folktale oral story about a bun that rolled away and turned into different things, read the funny book You Can't Bring a Dragon to the Library, and sang The 5 Little Ducks Song. The Junior Kindergartners had a blast!

Ms. Ann, from the Glencoe Library, read to the 2nd grade the books When Spring Comes & Is That You, Eleanor? and a book about funny party hats that everyone needed for a party! Lastly, she helped the students chose some new books for reading. The students had a great time!

The fifth graders completed a project inspired from the book, The Seventh Most Important Thing by: Shelley Pearsall. Similar to the book, they needed to create something they are passionate about out of the seven recycled materials: light bulbs, wood, cardboard, glass bottles, coffee cans, foil, and mirrors. Furthermore, they wrote a paragraph on which item is most meaningful based on what it symbolized and what quote inspires them in life. We concluded by having a "Masterpiece Museum" for families and peers to stop by and visit.

**We are on Spring Break this week!  
See you back on Monday, April 1, 2019!**

## SACRED HEART CAMPUS

### 8th Grade Q&A

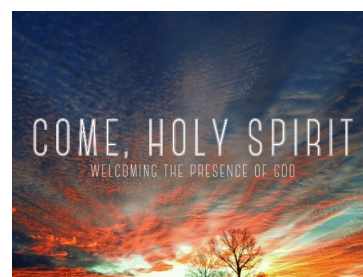

Our confirmation candidates recently participated in a Q&A session with members of the Divine Mercy staff. Father Steve, Father Dan, Judy Pyke and Sue Lehocky answered questions posed by the young people. The discussion included thoughtful questions such as:

- How do you know that God is with you when you pray?
- Have you ever doubted your faith?
- What is the hardest thing you have ever had to do as a Priest?
- Is it a sin to marry someone who isn't Catholic? (answer -no, it is not)
- How does the bread and wine become the body and blood of Jesus?

Thank you to all who participated in the session.

**There will be no sessions on March 24th and 31st because of Spring Break. Have a wonderful break and safe travels. See you on April 7th!**

## ST. PHILIP CAMPUS

### How can we get closer to God?

All of our 8<sup>th</sup> graders were expressing their beautiful, deep desire to get closer to God. They showed a wonderful readiness to be God's witnesses on the world.

Some of them wrote:

- I want to remain on the side of God, no matter how hard it can be.
- I see God in every part of my future.
- I want to be closer to God by praying, going to church and going to confession and by always being honest.
- I am looking forward to being a trustworthy and holy citizen in God's family.
- I know God wants the best for me.
- I would like to talk to God way more than I do now.
