# HOLY WEEK

## FROM THE PASTOR'S PEN

### HOLY WEEK STARTS

Masses this weekend mark the start of Holy Week, the most important week in the entire Church year. Faced with the unique situation of two houses of worship within one parish, we have tried to construct a worship schedule for Holy Week and the sacred Easter Triduum (the three days of Holy Thursday, Good Friday, Holy Saturday and Easter Sunday).

Every household in the parish should have received a special Easter mailing with the schedule for the Easter Triduum.

The following are some highlights of Holy Week schedule this year.

The Evening Mass of the Lord's Supper will be celebrated in only one place, at St. Philip the Apostle church at 7:00 p.m. This enables us to achieve two things. First, by holding the celebration in one place, the entire parish community can physically come together on this night. Second, the priests of the parish will be able to concelebrate the liturgy, which is an important aspect of this night and of the Easter Vigil.

Sacred Heart church will be open for visits on this night until 10:00 p.m. The convent chapel at St. Philip the Apostle church is the place where you can find the reposed Blessed Sacrament after the Holy Thursday evening liturgy.

The Good Friday liturgy will be observed in both worship sites at 3:00 p.m.

On Holy Saturday, the Easter Vigil (which fulfills the Easter obligation) will be held at Sacred Heart church at 8:00 p.m.

We are offering more for the Easter Triduum than what I've highlighted above. The entire schedule of events, prayers and Masses for the sacred Easter Triduum can be found

elsewhere in the bulletin.

### ALPHA

One of the markings on the Easter Candle is the first letter from the Greek alphabet, *alpha*, which looks the same as an A from our alphabet. The other marking on the candle is the last letter of the Greek alphabet, *omega*, which looks like this: Ω.

On the candle, those symbols represent "the beginning and the end," that is, Christ—who is everything to us (start, finish, and everything in between).

The name of a program that we are currently previewing with a select group of parishioners is: *Alpha*. This pilot of *Alpha* is going well and we are learning a lot from it. At some point in the fall the *Alpha* experience will be open to everyone who wants to attend.

The *Alpha* program is literally "a beginning." People going through it are invited to consider and savor faith in Jesus Christ. It's meant for those who are unchurched, those who have fallen away from the Christian faith, and those who have never had any sort of faith in God at all. What we are finding through the pilot process is that even those who do have faith in Jesus and are church-goers can benefit from it as they deepen their faith in Jesus.

*Alpha* is one aspect of phase five of *Renew My Church*. From what we've experienced so far in the pilot process it holds great potential for us as we try to build the new reality of Divine Mercy parish.

## PRAYER AND WORSHIP

### EVERYDAY STEWARDSHIP: A LOOK AT THE SCRIPTURES

"I tell you, Peter, before the cock crows this day, you will deny three times that you know me." (LUKE 22:34)

How many times have you heard someone make a disparaging comment about Jesus or our Catholic faith? How did you react? Do you remain quiet not to cause a disturbance? Or, do you remain quiet because you believe people will think negatively about you? Pray for the courage to speak up and enter into a respectful dialogue when the opportunity arises.

### RESPECT LIFE PRAYER

That as Christ saved us when we were helpless, we too may save the helpless among us, including the poor, the unwelcome, and the unborn, we pray to the Lord.

### WEEKLY SCRIPTURE REFLECTION GROUP

A scripture reflection group meets every Monday morning. We'll meet at the Sacred Heart offices after the 8:30am Mass.

We gather for one hour to read and reflect on the coming Sunday readings. No experience in scripture necessary, and everyone walks away learning something new! All are welcome—it will make your Sunday experience even more worthwhile!

### POPE FRANCIS ON TWITTER

"We enter this Holy Week with the Lord Jesus in order to celebrate Easter with hearts that are renewed by the grace of the Spirit."

### WAY OF THE CROSS IN DOWNTOWN CHICAGO

**April 19, 2019**

Each year we follow the passion of Christ in the heart of our city, where thousands of people carry their cross every day. Through choral music, Gospel passages, reflections, and our silent procession, we hope to enter more deeply into the events of Good Friday and their meaning for us today. We ask to experience the exceptional Presence of Christ among us as a real answer to the needs of our hearts. The total length of the walk is approximately two miles.

### PRAY FOR OUR ALPHA PILOT

A key component of our Alpha pilot is **prayer**. It is the Holy Spirit that leads people to conversion, so we ask that all of our parishioners pray for the participants and the success of the Alpha pilot. It will help us as we roll-out Alpha to a wider audience in the Fall. Thank you!

### ST. FRANCIS PRAYER BEFORE THE CRUCIFIX

Most High glorious God,  
enlighten the darkness of my heart.  
Give me right faith, sure hope and  
perfect charity.  
Fill me with understanding and  
knowledge that I may fulfill your  
command."

### UPDATE ON SWEET REESE FELDERMAN!

Many thanks to all of the parishioners who have kept Reese Felderman and her family in your prayers. We wanted to let you know that Reese and her family are back home in Winnetka! Here is a post from the Rally for Reese page written by her mother, Jennifer, on April 1st:

What a blessing to be home! We have quickly gotten back in the routine of living as a family, in a house, and it feels wonderful. There are a million little things that I appreciate about being home, most of which surround three sweet little preschoolers. Each night before I go to sleep, I look out my bedroom windows at the beautiful view. I can see the tall trees, the sky above me, and sometimes the moon. And I always pray, "Please let this be real."

Reese has been to two appointments at Lurie in Chicago and the transition has been very smooth. Our care was transferred without a hiccup and Reese was even thrilled to find that her favorite Chicago nurse Cindy (who handled her at-home care last year) is now her nurse at Lurie. A familiar face at just the right time. Reese was in kind of a holding pattern our last couple weeks in San Francisco. In an effort to not "rock the boat" (the boat being the vessel that delivered her to Winnetka, without a hitch), nothing was tapered and everything held at a perfect point. We haven't made any moves, yet, so Reese has continued swimming along at a steady rate. Three immunosuppressants that are related to the gvhd remain: Budesconide, Anakinra, and Jakafi. These all need to come off to get Reese's immune system functioning at a good level and one of these will likely start a taper later this week (not Jakafi, everyone seems to agree this will be last.) In the meantime, a few meds have been tampered with... a couple eliminated and a couple added. Reese's outpatient routine continues to be a full time job, it is incredibly time consuming, especially in the

morning. I am happy to do it, and thrilled to have the opportunity, but time management and a little help from the big man upstairs will be necessary to get my party of five out the door at 8am each day!

Reese had a bone marrow aspiration just before we left San Francisco. The results from this test have been trickling in and we know that her chimerism continues to be at 100% donor. This is what it's all about and we are so thankful. My concern at the moment is an

EBV viral test that came back positive last week. I just saw it tonight, so I haven't had a chance to inquire, but this viral reactivation has been negative since we treated it months ago. This matters so I will be looking into it tomorrow. We flew home last Thursday. On Friday, Reese told me she wanted to

ride her big wheel. I looked at my husband, concerned, and decided I would just give her little "pushes" around the block. Reese wanted to ride to Greeley, to ride her "horsey". There is a horse, at the Greeley

playground, that Reese talked about in the hospital. She just wanted to go home to ride her "horse" and she held a picture in her hospital bed. Well, I tell you, this little girl hopped on her big wheel and rode the four blocks to Greeley. With abandon, on her own, fast. I asked her how she did it, I was shocked. "Mommy, my new cells are fast!" Yes, they are. When she saw her horse, she ditched the big wheel and ran across the playground.

Ran. A moment to remember.

Today was Quinn's first day of junior kindergarten at Sacred Heart. She is so happy to go to school and Reese is handling it like a champ. A lot of prep work went into the moment that Quinn left and Reese stayed, and my resilient girls took it in stride. Onward!

Last week during Wednesday's school mass Father Dan included the third graders into his homily. He talked about how we need to appreciate our moms and everything they do for us. The contributions shared by the students were priceless!

Our 8<sup>th</sup> graders enjoyed the Flower Ceremony last week where one of their teachers presented each student with not only a beautiful flower but a heartfelt sentiment as well...there were tears.

Congratulations to our 8<sup>th</sup> graders who received the Sacrament of Confirmation last Friday.

The Story Bus came on Tuesday for the Week of the Young Child! Preschool through second grade students had the opportunity to listen to the story of the "Three Little Pigs" and explore all the bus had to offer.

## What is Lent for you?

Our 6<sup>th</sup> graders find Lent as a time when they are inspired to follow Jesus more closely.

Looking at the cross makes them feel sad.

But then, seeing great love of our Lord, their hearts are filled with joy.

They are ready to share this joy with others.
