You have the words of eternal life.
We have come to believe and are convinced
that you are the Holy One of God."
John 6:69*

FROM THE PASTOR'S PEN

A REALLY GOOD FIT

I include the following write up in my column, knowing that the folks who worship at St Philip church already know this stuff, more or less. However, worshippers located at Sacred Heart do not. So I asked the staff of the Hyde Park Day School to provide me with information that I could share with all of you.

Hyde Park Day School leases the school building on the St Philip campus. Hyde Park is a separate operation from that of Divine Mercy parish, but it's a wonderful fit and complements what we do as a community of faith to lift up all those in need.

What follows is a summary of the Hyde Park Day School provided to me by their staff. Enjoy reading it and learning what goes on at HPDS!

At Hyde Park Day School (HPDS), our sole purpose is to help bright first through eighth grade students with learning disabilities reach their full potential. We believe students who receive the appropriate intervention can develop the skills necessary to keep pace in traditional classrooms. We achieve this by teaching our students how to leverage their significant strengths in areas that are difficult, and how to self-advocate for the tools that they need to be successful.

We believe that the complex nature of significant learning disabilities requires a program that focuses on the remediation of fundamental skills, the development of strategies to compensate for learning challenges and the use of appropriate accommodations. This is accomplished through:

- a low student-to-teacher ratio;
- a state-of-the-art technology program;
- an integrated services approach;
- highly talented staff, all with a

comprehensive professional development program;

- a safe, nurturing environment designed to build self-esteem, self-confidence, and a genuine interest in learning.

Hyde Park Day School opened in 2000 in a small converted auditorium on the campus of the University of Chicago. After quickly reaching a maximum enrollment of 40 students, we opened a second campus in Northfield, IL to expand the number of students that we could serve. Similar to the Chicago campus, our Northfield campus quickly grew to its maximum enrollment. Realizing that we were turning away many students, we embarked on a building campaign to replace our Chicago campus in 2011.

We heralded the opening of our new state-of-the-art facility in the Woodlawn neighborhood in the spring of 2014 to further our reach and impact on bright students with learning disabilities. Realizing our potential for growth and continued success, we completed a full strategic plan in January 2016, Vision 2020, which set our vision for the next five years. In addition to codifying the instructional practices at the school, we have also pledged to expand the number of students directly and indirectly served by our program as well to continue to provide the best quality education to our students. As a direct result of this planning process, and years of work and experience behind it, we are happy to announce the opening of our new west suburban campus in Lemont, IL in August, 2018.

Hyde Park Day School is accredited by the North Central Association and The Independent School Association of the Central States. It is also an institutional member of the Lake Michigan Association of Independent Schools and the International

Dyslexia Association.

BACK AT IT

As I write this our own parochial school is back in operation. The first day of the 2018 academic year at Sacred School was this past Tuesday.

I watched as kids entered the building at the opening bell. They ran in! This tells me they wanted to be there, excited for the start of another school year.

The spirit of our school couldn't be stronger or better. Administration and teachers are rested and ready. Students seem to be eager to get back into the swing of things.

Full steam ahead!

PRAYER AND WORSHIP

WEEKLY SCRIPTURE GROUP

A scripture reflection group (facilitated by Judy Pyke) will meet Monday mornings in the Convent **after the 8am Mass at St. Philip** during the month of **September**.
NOTE: There will be NO meeting on Labor Day.

We gather for one hour to read and reflect on the coming Sunday readings. No experience in scripture necessary, and everyone walks away learning something new! All are welcome and encouraged to join. It will make your Sunday experience even more worthwhile! Join us!

HOLY HOUR AT ST. PHILIP CHURCH

Join Divine Mercy parishioners for Holy Hour every Friday afternoon at 3:00p.m. at St. Philip Church.

RESPECT LIFE PRAYER

That the Church may encourage all the labor by which the laity shape society in accordance with the Gospel, we pray to the Lord.

EVERYDAY STEWARDSHIP: A LOOK AT THE SCRIPTURES

"Be doers of the word and not hearers only..." (JAMES 1:22)

It's easy to understand the definition of stewardship. The hard part is living it! What do you do to live God's word? Do you share your time in prayer with God? Do you use your talent to help those in need? Are you generous with your financial resources? If not, what are you waiting for?

PAPAL TWEETS

By embracing God's love,
We change the world and
transform history.

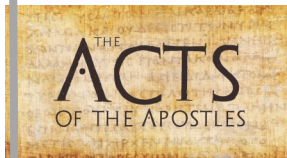

ADULT FORMATION

DELVE INTO THE ACTS OF THE APOSTLES

Join world renown scripture scholar, John J. Kilgallen, SJ as he delves into the Acts of the Apostles on Wednesdays September 12th and 19th, at 1pm in the John Paul II Room at St. Philip the Apostle Church. He'll return again on Wednesdays October 10th and 17th at 1pm in the same meeting room.

Fr. Kilgallen has been a frequent guest speaker at Sacred Heart and is a former presider at weekend Masses at St. Philip. He has specialized in the New Testament for 40 years, teaching at the Pontifical Biblical Institute in Rome and Loyola University in Chicago.

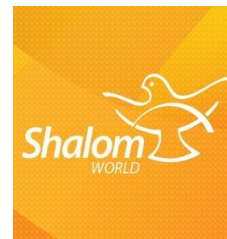

Come and learn about the first witnesses of faith within the Acts of the Apostles!

DO YOU LOVE CHOIR MUSIC?

There is a great website, Shalom World TV, which includes all kinds of videos and features on the Catholic faith, including a series called "*Sing 4 Him*", hosted by Anna Nuzzo, acclaimed singer & songwriter. The series features choirs from around the greater Chicagoland area. Directors and members of each choir share how music enlivens their spirit and their faith, while viewers enjoy a taste of the beautiful music they share with their faith communities. Check it out at: <https://www.shalomworldtv.org/sing4him>

After viewing, you just may be inspired to join the choir!

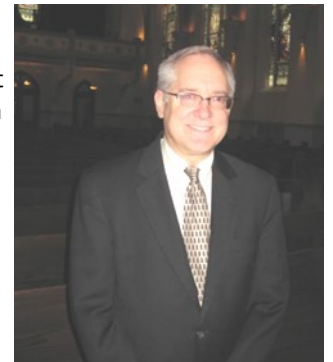

MEET THE STAFF

TODD GRESICK

September 15 this year will mark my fourteenth year as Director of Music Ministry at Divine Mercy (Sacred Heart Church). I previously served parishes in Sarasota, Florida and Detroit, Michigan following my studies at the University of Michigan in Ann Arbor. There I was fortunate to earn the Bachelor and Master of Music degrees in organ under my professor and mentor, Robert Glasgow.

As a ten year old member of the boy choir in my home parish, St. Peter Church in Steubenville, Ohio, I grew to love the sound pipe organ and decided that I wanted to explore the wide variety of music that was associated with the "King of Instruments". I was encouraged by the nun who was my 6th grade teacher, when she assigned me to play at one of the weekly school Masses, upon becoming aware of my keyboard skills. The thrill of leading a singing congregation convinced me to pursue a career in church music.

Over the years, I have been blessed with some memorable experiences. In Detroit, I was invited to play at the 50th Anniversary Mass of Archbishop John Francis Dearden at Sacred Heart Seminary. Since moving to Chicago, I was invited to play at the funeral of Dan Rostenkowski in the un-air-conditioned upper balcony of St. Stanislaus Church during a summer heatwave! It is always an honor for me to share my musical gifts here at Divine Mercy for Sunday Masses, Weddings, Funerals and many other occasions when music is considered to be an important element of celebration.

ADULT FORMATION

MICHELANGELO THROUGH THE EYES OF BISHOP BARRON AND DR. MARY QUINLAN

Join us on Tuesday, September 18th at 7pm in the Sacred Heart Parish Center (Burr & Gage Streets) for Bishop Barron's Pivotal Players feature on Michelangelo, The Artist. We'll be joined by Mary Quinlan, Ph.D., a professor of Art History at Northern Illinois University. Dr. Quinlan is a specialist in the Italian Renaissance and received her doctorate at the University of Chicago. She'll share her own comments about Michelangelo relative to Bishop Barron's video presentation.

In reference to Michelangelo, Bishop Barron states that "The Master of sculpture and painting is not a saint but serves as the privileged representative of the creative potential engendered by the Catholic Faith. The Church professes that beauty is a route of access to God, and through humanity's creative artistry we glimpse the power and glory of the Lord." In this feature, Bishop Barron travels to Rome, Florence, and all the locations that played a significant role in the formation and vocation of Michelangelo, which in turn formed the life of the Church.

We hope you'll join us! All are welcome. Come a little early to enjoy some snacks, pizza & adult beverages before the presentation.

ST. BENEDICT THE AFRICAN GIFT CARD COLLECTION

For the past several years St. Philip the Apostle has sponsored a mid-year gift card collection for our sharing parish, St. Benedict the African, in Englewood. This is in addition to our Christmas collection.

The needs of the people in Englewood continue as the neighborhood remains one of the poorest communities in the Chicago area. As always, any gift cards are welcome. Please consider that during the summer, Jewel and gas cards are especially needed. Cash donations are also accepted.

Please clearly label your donation "Gift Card Collection" on your envelope. All donations can be dropped in the Sunday collection basket or the parish offices by Sunday, September 9th. Thank you!

LIFE AND JUSTICE CONFERENCE

It's about that time of the year again! The Office of Human Dignity and Solidarity is hosting the annual Life and Justice Conference titled *Building a New Reality Together*. Keynote Speaker Sister Helen Prejean will be featured. The event will take place Saturday, September 15, 2018 at Mount Carmel High School from 9 a.m. to 3 p.m.

The Life and Justice Conference is an annual gathering for Catholic social ministers and justice advocates in the Archdiocese of Chicago, that promotes a spirit of collaboration in service of human life and dignity and equips participants with tools and resources to strengthen their ministries.

In 2018, the conference will provide a space for dialogue about how our various dignity-centered ministries can move forward together and create a reality where all people are guaranteed the rights and opportunities to have life and have it abundantly.

KEYNOTE SPEAKER: SR. HELEN PREJEAN

Sister Helen Prejean is known around the world for her tireless work against the death penalty. She has been instrumental in sparking national dialogue on capital punishment and in shaping the Catholic Church's newly vigorous opposition to all executions. In 1982, Sister Helen started corresponding with Patrick Sonnier, sentenced to die in the electric chair of Louisiana's Angola State Prison for the

murder of two teenagers. Sonnier asked her to become his spiritual advisor and she accepted. In 1984, Elmo Patrick Sonnier was put to death in the electric chair. Sister Helen was there to witness his execution. In the following months, she became spiritual advisor to another death row inmate, Robert Lee Willie, who soon met the same fate as Sonnier.

SR. PREJEAN (CONTINUED)

After witnessing this second execution, Sister Helen realized that this lethal act would remain hidden unless she spoke up about it. She came together with others to hold execution vigils and to march to draw attention to the issue. She founded a support group for victims' family members called Survive. And she sat down and wrote a book, *Dead Man Walking: An Eyewitness Account of the Death Penalty in the United States*. *Dead Man Walking* ignited a national debate on capital punishment and it inspired an Academy Award winning movie, a play and an opera.

Over twenty years later and with capital punishment still practiced in 32 states, Sister Helen divides her time between campaigning against the death penalty, counseling individual death row prisoners, and working with murder victims' family members. She has accompanied five more men to their deaths and is currently spiritual advisor to Manuel Ortiz, a man she believes is innocent of the crime that has put him on death row at Angola for over 23 years.

Sister Helen is currently at work on her third book, *River of Fire*.

Growing Faith.....Engaging Hearts

The children give me JOY. They are forever curious, yet so wise and teach me more than I can teach them. They make me smile each and every week, even when they test my patience!"

"I think the greatest benefit in teaching our children is how much they teach us! I have taught 2nd, 4th and 5th grade and each grade level has been a learning experience. First, I learn more about our faith each year as I teach it and the children teach me so much on how to communicate and what is really on their minds and their main concerns."
