SACRED HEART CHURCH • ST. PHILIP THE APOSTLE CHURCH

TWENTY-FOURTH SUNDAY IN ORDINARY TIME

*My child, You are  
here with me  
always;  
everything I have is  
yours. But now we  
must celebrate and  
rejoice, because your  
brother was dead  
and has come to life  
again; he was lost  
and has been found.*

*Luke 15: 31-32*

## FROM THE PASTOR'S PEN

I heard from a number of people after this past Sunday who suggested I share the homily I gave with everyone. For what it's worth, here it is. The gospel that I am reflecting on in this homily is Luke 14:25-33.

Before you read it, I'd like to acknowledge that the image of the "Discipleship Sandwich" that I use is something I found in a homily originally given by Father Paul Holmes. I take it in a different direction. Still, the image is originally his.

### 23 Sunday Ordinary Year C 9-8-19

We have just been served a whopper of a Discipleship Sandwich. Did you hear Jesus?

If we were to analyze this gospel text from top to bottom, looking at the beginning of it (or the top), then looking at the end of it (or the bottom) — which would make up the two slices of bread for this sandwich, and then if we look at what's in the middle, for the meat or the heart of the sandwich, we have—and many of you, I think, would agree with me in this—a very unpalatable Discipleship Sandwich.

The top slice of bread: *Hate your family and yourself*. The bottom slice of bread: *Get rid of all your possessions*. And in between them is the toughest meat imaginable: *Carry your cross*.

That's a lot to digest, difficult two thousand some years ago. Difficult today.

Most people I know would not voluntarily order this kind of sandwich. This, to me, is not the Twenty-third Sunday in Ordinary Time. I'd like to rename it: *Really Challenging, Hard-to-Swallow-Gospel Sunday*.

So what do we do with this? As is

often the case with scripture, context is important.

Jesus is on his way to Jerusalem. He knows what awaits. The established religious leaders do not like him. They want him gone. They want him dead. Still, Jesus is walking into the lion's den.

By speaking as he does, on the verge of Jerusalem, he's letting everyone know that being his follower, his disciple, is going to cost them. That's the stuff about the builder of the tower and the king marching into battle. Don't start any sort of project like those, without first counting the cost. How much of your income, your energy, your time will those projects take from you?

Discipleship is going to cost us!

Our families, if they don't believe as we do, may try to dissuade us from going to the cross with Jesus. Our possessions may distract us from the work of salvation that's going to take place on Golgotha.

So what will equip us for journeying with Jesus as his committed disciples?

First, let me ask for a show of hands. How many here believe they know about Jesus? (Lots of us.)

You don't have to raise your hand on this next question. How many here, honestly, *know* Jesus?

When we're talking about a person, there's a difference between knowing about that person and *knowing* that person. That's what makes the difference for disciples!

Those of you who are married, would you accompany your spouse to the cross, if that's where they were going? Sure you would, because you *know* your spouse, and knowing your spouse, you love him or her. Same for your child, right?

Too often, believers only know *about* Jesus.

But they do not know him.

Too often, in religious formation programs we think what children need is an understanding of the catechism, or that they need an understanding of the history of the church. Those things are fine and good, but they don't cultivate a relationship with the Lord Jesus who died for us—for you and me, and who also rose from the dead: not "rose from the dead" back then in history, but has Risen from the dead even now in my own time, in my history, in my life.

Do I know this Lord? Is he present in my heart, and my brains, and my blood, Risen, conquering death, speaking the living Word to me such that I am on fire with the Spirit. And there's the key to this tough gospel, this Discipleship Sandwich—passion!

If I am passionate about my relationship with the Lord Jesus as the guiding light of my life, then all other things, family, possessions, job, neighbors, the needy—all fall into place.

If I am passionate about my relationship with the Lord Jesus, I will be willing to go to the Cross with him: precisely because he is with me, and because other similar, passionate disciples are also with me, on the journey.

This is what we are hoping for through *Renew My Church* and through *Alpha*.

*Renew My Church* is not primarily

## PASTOR'S PEN (CONT'D)

about structures and organization. It's about revitalization. And a proven instrument to help effect that revitalization is *Alpha*.

What we seek to grow and form are not members of a church but disciples of Jesus who know him and therefore love him and therefore who are passionate about following him wherever he may lead us.

I'm not saying we don't have any passionate disciples within the parish. Far from it. But what I am saying is that one year from now, if, as a result of *Alpha*, we have twelve additional passionate disciples, then those twelve will go on to generate more passionate disciples, and so on, year by year until we are so constituted as a parish that we will partake of the rich fare that Jesus presents to us and we will realize that everything and anything good, and holy, and life-giving is ours by the gift of God in Christ. And as a parish, we will soar and make an even bigger difference in the world than we do now.

### LISTENING SESSION ON THE CHURCH- CLERGY ABUSE SCANDAL:

**SEPTEMBER 16th at 7pm PARISH CENTER**

Are you, or any of your friends or family members, struggling with the Church because of the abuse scandal? Stopped going to Mass? Walked away from a faith community because of it? Angry or hurt?

If you are a hurting Catholic or ex-Catholic, please consider attending a listening session about the abuse scandal on Monday night, September 16th at 7:00 p.m. at the Divine Mercy Parish Center, at the corner of Gage and Burr in Winnetka. Come share your frustrations and your struggles with others. This will be a safe place where people can express their feelings. A facilitator will be present to guide us through the conversation, as well as representatives from the Archdiocesan Office for the Protection of Children and Youth and Victim's Assistance. This session is not expected to achieve closure, but seeks to better understand the depth of the pain, outrage and moral damage experienced by victims, those they love and those in, or estranged from the Church, that struggle with this reality.

Attendees can also learn about efforts taken to prevent such abuse from happening in the future.

**RESPECT LIFE**

That all in the Church may heed the words and example of Saint Teresa of Calcutta, who defended the human dignity of all, born and unborn, we pray to the Lord.

**RESPECT LIFE AND THE WOMEN'S CENTER**

The Women's Center of Greater Chicagoland serves women during pregnancy and after. Their mission is to love, support, and empower a woman, giving them the tools to choose life for herself and for her child. The Women's Center is in need of diapers in all sizes, especially 5 and 6. If you would like to contribute, please drop packages of diapers off in the vestibule of St. Philip the Apostle Church and they will be delivered and appreciated.

**WEEKLY SCRIPTURE REFLECTION GROUP**

A scripture reflection group meets every Monday morning in the Sacred Heart offices after the 8:30am Mass.

We gather for one hour to read and reflect on the coming Sunday readings. We share what is in our hearts and on our minds. The Holy Spirit is always at work! No experience in scripture necessary, and everyone walks away learning something new! All are welcome—it will make your Sunday experience even more worthwhile!

**ACCESS TO SACRED HEART CEMETERY IN NORTHBROOK**

Visitors to the Sacred Heart cemetery can no longer access Lee Rd. from Shermer Rd., as they have for the past few months. Instead visitors must travel to the intersection of Shermer Rd. / IL 68 (Dundee Road) where they will be able to gain access to Lee Rd via a temporary road the Illinois Department of Transportation has installed.

**ALL YOU EVER WANTED TO  
KNOW ABOUT THE MASS...  
AND THEN SOME!**

**Wednesday, September 25th 7pm  
St. Joseph Church (Ridge and Lake)  
Monsignor Dan Mayall, celebrant**

This is the first in an Adult Education/Formation series at Sts. Joseph Francis Xavier called *RCIA for Catholics*. This series is offered to folks at large so they might deepen their understanding of the mass, ask questions and share insights on liturgy. This "teaching" mass is an actual celebration of the mass with moment to moment explanation. Why do we do this? What is the priest saying? What does this or that mean? Where do they get the prayers and readings?

There are deep roots and profound symbolic expression in the celebration of mass. Let this be an opportunity to deepen your understanding, ask questions and reflect on this gift of thanksgiving, mystery and experience of God we celebrate every day as Catholic Christians.

What must one do to be a good Christian? The answer is simple: we have to do, each in our own way, what Jesus says in the Beatitudes.
