TWENTY-FIFTH SUNDAY IN ORDINARY TIME

**ALPHA  
BEGINS  
THIS WEEK  
COME AND SEE**

## FROM THE PASTOR'S PEN

### GRATEFUL

This past Monday night our parish held a listening session focusing on clergy abuse of minors. I am very grateful to those who attended and most especially to those who spoke up, sharing their thoughts and feelings on this difficult, horrible and ugly wound upon the people of God.

We humans are comprised of spirit and body. Bodies are not the only part of us that is violated when abuse occurs. Spirits are broken. The abuse of children is especially horrifying because they are among the most vulnerable and trusting. The ugliness of abuse shatters their lives and the lives of those who love them.

All of this is compounded when leadership was exercised wrongly in the past and abusive priests were sent away for "treatment" and then, in many cases, reassigned to parish work. This no longer happens. As soon as an allegation is received, Church authorities immediately remove the accused from ministry and alert civil agencies who then investigate.

While procedures and protocols are now in place to deal with this, that doesn't take away the pain and anguish of past mistakes. That's why, I think, the listening session we held was a good thing and a necessary thing.

I applaud the courage of those who attended and spoke up. Their anguish and love for the Church needs to be heard, and is held close to the heart of Christ.

Archdiocesan officials from the Office of Protection of Children and Youth also were present to listen and offered a presentation on what is being done to prevent and handle abuse of minors today. The dean of our local deanery also attended and listened. The notes taken of those who spoke up will be forwarded to

Cardinal Cupich at his own request, as well as to our own Bishop Bartosic.

Thanks to Dr. Terry Nelson Johnson for an excellent job facilitating the evening.

### COME AND SEE

Our first season of Alpha begins this week. For those who need a morning session, we are holding one on Wednesday, September 25 at 9:30am. For those looking for an evening session, we are holding one on Monday, September 23 at 6:30pm.

I attended the pilot of Alpha and loved it. But don't take my word for

it. Try it out for yourself, either in the evening or the morning. Come hungry because food is the first order of business prior to watching the short, powerful video.

I ask that you also pray for the success of Alpha. We can't do anything important like this without lots of prayer support.

A handwritten signature in black ink, appearing to read "Fr. Steve".

### A PRAYER FOR HEALING VICTIMS OF ABUSE

God of endless love, ever caring, ever strong, always present, always just: You gave your only Son to save us by his blood on the cross.

Gentle Jesus, shepherd of peace, join to your own suffering the pain of all who have been hurt in body, mind, and spirit by those who betrayed the trust placed in them.

Hear the cries of our brothers and sisters who have been gravely harmed, and the cries of those who love them. Soothe their restless hearts with hope, steady their shaken spirits with faith. Grant them justice for their cause, enlightened by your truth.

Holy Spirit, comforter of hearts, heal your people's wounds and transform brokenness into wholeness. Grant us the courage and wisdom, humility and grace, to act with justice. Breathe wisdom into our prayers and labors. Grant that all harmed by abuse may find peace in justice.

We ask this through Christ, our Lord. Amen.

Divine Mercy invites you to participate in Alpha!

What is it? Alpha is an opportunity to explore life and the Christian faith in an open and informal environment. Each session includes a meal, a short video and a discussion where you can share your thoughts in a small group.

There's no judgement, no pressure, no charge and **it's FUN!** Alpha in the Catholic Context is run around the world, and all have three things in common: good food, a video and good conversation.

No matter who you are or what you believe, everyone is welcome...Catholic or not...practicing or not...or simply curious...Join us and **COME AND SEE!**

Thank you to all who shared their truth, whether it was anger and outrage, sorrow, disappointment or even hope for the future. All were honored by your sharing. The comments shared that evening will be transcribed and shared with our vicar, Bishop Bartosic and Cardinal Cupich.

## *Renew My Church: Where we're at!*

It's always good to remember the roots of Renew My Church. Why the need for change? Why did St. Philip and Sacred Heart need to come together? Our journey is both spiritual and structural. We need to re-encounter Jesus Christ as disciples and faith communities, and we need to ensure our parish has adequate resources for vitality.

### Why the need for spiritual renewal?

We are facing not an "age of change" but a "change for the ages." We have moved from a Christ-centered age to a secular age, in which our mission once again becomes apostolic.

### The Past

### Today

- |   |  |
|---|--|
| • Christian culture   | • Secular culture  |
| • Open to faith   | • Against faith  |
| • Clear understanding of Christian imagination and language | • No understanding of Christian imagination and language |
| • Foundational moral teaching                               | • Rejected moral teaching                                |
| • Christians in majority                                    | • Christians in minority                                 |

### What is the fundamental change needed for a truly renewed Church?

Making sure that everything we do is implicitly and explicitly rooted in helping people know and share Jesus Christ. This involves change, or conversion, on three levels:

- **Personal:** Our own, personal encounter with Christ through which we become missionary disciples. #TRY ALPHA!
- **Parish:** Sharing with each other the life we have experienced in encountering Christ. This means taking responsibility for the building up of the parish as a community of faith. We hope to embrace this responsibility through our participation in Alpha. We encourage everyone to attend Alpha, which will help build up our faith and our community.
- **Archdiocese:** The Cardinal and his staff are responsible for providing vision, resources, and support necessary to lead us to authentic relationship with Christ. They have been a great resource for Divine Mercy Parish.

**RESPECT LIFE**

That the concerns people have about money may never be greater than their readiness to welcome and cherish the gift of children, we pray to the Lord.

**RESPECT LIFE AND THE WOMEN'S CENTER**

The Women's Center of Greater Chicagoland serves women during pregnancy and after. Their mission is to love, support, and empower a woman, giving them the tools to choose life for herself and for her child. The Women's Center is in need of diapers in all sizes, especially 5 and 6. If you would like to contribute, please drop packages of diapers off in the vestibule of St. Philip the Apostle Church and they will be delivered and appreciated.

**WEEKLY SCRIPTURE REFLECTION GROUP**

A scripture reflection group meets every Monday morning in the Sacred Heart offices after the 8:30am Mass.

We gather for one hour to read and reflect on the coming Sunday readings. We share what is in our hearts and on our minds. The Holy Spirit is always at work! No experience in scripture necessary, and everyone walks away learning something new! All are welcome—it will make your Sunday experience even more worthwhile!

**ACCESS TO SACRED HEART CEMETERY IN NORTHBROOK**

Visitors to the Sacred Heart cemetery can no longer access Lee Rd. from Shermer Rd., as they have for the past few months. Instead visitors must travel to the intersection of Shermer Rd. / IL 68 (Dundee Road) where they will be able to gain access to Lee Rd via a temporary road the Illinois Department of Transportation has installed.

**ALL YOU EVER WANTED TO  
KNOW ABOUT THE MASS...  
AND THEN SOME!**

**Wednesday, September 25th 7pm  
St. Joseph Church (Ridge and Lake)  
Monsignor Dan Mayall, celebrant**

This is the first in an Adult Education/Formation series at Sts. Joseph Francis Xavier called *RCIA for Catholics*. This series is offered to folks at large so they might deepen their understanding of the mass, ask questions and share insights on liturgy. This "teaching" mass is an actual celebration of the mass with moment to moment explanation. Why do we do this? What is the priest saying? What does this or that mean? Where do they get the prayers and readings?

There are deep roots and profound symbolic expression in the celebration of mass. Let this be an opportunity to deepen your understanding, ask questions and reflect on this gift of thanksgiving, mystery and experience of God we celebrate every day as Catholic Christians.

## CHILDREN'S MINISTRY (RELIGIOUS EDUCATION/PREP)

### *It's all beginning! Welcome to Children's Ministry 2019-2020!*

Welcome back to all of our returning families and a special welcome to our new families. We have so much in store for you and your children. Today, we begin Divine Mercy's Children's Ministry at both of our campuses — classes will be held from 9:15-10:30 a.m. on the Sacred Heart campus and from 10:30-11:45 a.m. on St. Philip's campus. We have nearly 300 children enrolled in the program!

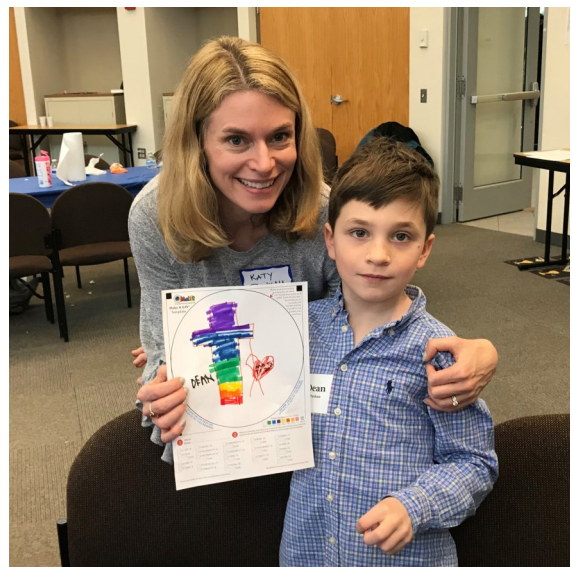

What's more, our Family Faith Connection starts off tonight. We will welcome 13 families and more than 30 children from Preschool-7th grade into the program.

### *What is Family Faith?*

*Family Faith is for families who want to learn, grow and pray together as an alternative to weekly children's ministry sessions. The program combines eight monthly group meetings on Sunday evenings with at-home sessions guided by parents with instructional materials.*

*This approach helps parents identify the faith lessons in the everyday moments when we teach our children to love, to forgive, to care for one another and for the world around them.*

*Community is created as parents gather and share. As a family, it's great to talk about faith!*

## LOOK WHAT'S HAPPENING AT SACRED HEART SCHOOL!

The fifth graders collected stats on baseball players and created 3D graphs using their maker space carts. After, they answered questions regarding points of central tendency based on the class graphs.

Kindergartners have been busy using their imaginations this September! Pictured, they are using attribute blocks, building a pony aquarium, building a castle and using STEAM to build a dollhouse!
