SACRED HEART CHURCH · ST. PHILIP THE APOSTLE CHURCH

JULY 3, 2022    FOURTEENTH SUNDAY OF ORDINARY TIME

*"The harvest is abundant but the laborers are few..." Luke 10:2*

## FROM THE PASTOR'S PEN

### THE ISSUE IS LIFE

A good friend of mine, Father Mike, sent me his homily from last Sunday regarding the eventful decision announced by the Supreme Court. Here at Divine Mercy, we observed the previously scheduled annual Mission Sunday with a guest priest presider, Father Alphonse, whose sole focus was the mission appeal. I share with you on this July Fourth holiday weekend, Father Mike's homily which I have taken the liberty (no pun intended) to edit for our bulletin. Here's what Father Mike had to say—

The Supreme Court's decision on Friday reverses earlier rulings that had said the Constitution confers the right to receive an abortion. As the Supreme Court's website summarizes, the authority to regulate abortion is returned to the people and their representatives. In Cardinal Cupich's statement, which we made available to you in e-blasts last week and again in today's bulletin, the Cardinal notes that the struggle to protect life from the first moment of conception until natural death is far from over.

Although the Supreme Court has decided that the Constitution does not confer the right to an abortion on demand, laws in many states, including our own, do. But even if all of these laws would change, this would not mean that life emerges from this struggle victorious. We are far from living in what Saint Pope John Paul II referred to as a "culture of life." The Supreme Court may reverse its earlier decisions. Legislatures may enact laws that provide greater protections to life within the womb. But until we start listening more carefully to one another or respond with greater compassion to those who face problematic pregnancies, we will never see a true culture of life.

The intense feelings evident in the protests mounted by those who are for and against legal abortions show that we have far to go in making our world safe for every human being after the moment of their conception. The news

reports that followed Friday's story on the Supreme Court's decision, the situation in Ukraine, the violence in Chicago itself underscore how far away we are from living in a world that truly values human life.

Last Sunday's gospel message reminds us of a major step each one of us can take in moving toward a true culture of life. All human beings, whether young or old, poor, or rich, want to be treated with respect and fairness. A culture of life not only protects existence itself but safeguards the dignity of everyone. In the gospel (Luke 9:51-62), Jesus encountered a lack of respect and fairness when he entered a Samaritan village and was told to go elsewhere, presumably because he was not a Samaritan.

Jews and Samaritans had been at odds for centuries. In Jesus' day, the rift was deep. Unfortunately, geography and politics required them to interact, even if they did not like or respect one another. Two of the disciples, James and John, want to respond to the disrespect with revenge. They ask, "Lord, do you want us to bid fire come down from heaven and consume the Samaritans?" Jesus dismisses the suggestion and rebukes his disciples for their lack of tolerance. The response of Jesus was to leave that place and go to another village. Jesus chooses non-violence.

The Lord's way of acting applies to us and to our times. Not everyone will accept us or what we believe. We may not accept that which others believe. But we can better respect one another as persons. We can pray for the grace to listen more carefully to one another.

As his public ministry progresses, Jesus sets his face toward Jerusalem. Jesus singleheartedly carries out his heavenly Father's will, whatever the consequences. His journey to Jerusalem ultimately leads to the Cross. Jesus was willing to die so that Jews, Samaritans and everyone might be reconciled with God and made one family in faith. This

is God's healing gift to us via his son, Jesus.

### WALKING WITH GOD AND EACH OTHER

It is God's grace, flowing from the Cross, that enables us to build a culture of life. We cooperate with grace by refusing to dismiss or disrespect anyone, even those who have opinions very different from our own. Grace moves us to rise above all that within us that is contrary to the safeguarding of life: anger, intolerance, prejudice, the lack of compassion, the closing of minds and hearts.

Saint John Henry Cardinal Newman said: "Our hearts must be broken up like ground, and dug and watered, and tended and cultivated, till they become as gardens, gardens of Eden, acceptable to our God, gardens in which the Lord God may walk and dwell."

God will walk in the garden of life where each human being is cherished, respected, and honored. Those who believe Friday's Supreme Court decision automatically propels us into that Garden will soon discover we have so much more to do. Indeed, the first task may be a sincere attempt to dialogue with those who do not see Friday's decision to be a victory for human beings.

**Statement of Cardinal Blase J. Cupich, Archbishop of Chicago, on the Supreme Court's decision in Dobbs v. Jackson Women's Health Organization**

June 24, 2022

Today, the U.S. Supreme Court issued its ruling in Dobbs v. Jackson Women's Health Organization, which overturns the court's tragic 1973 decision that removed legal protection for unborn children. We welcome this important ruling and the opportunity it creates for a national conversation on protecting human life in the womb and promoting human dignity at all stages of life. This moment should serve as a turning point in our dialogue about the place an unborn child holds in our nation, about our responsibility to listen to women and support them through pregnancies and after the birth of their children, and about the need to refocus our national priorities to support families, particularly those in need.

The Catholic Church brings to such a conversation the conviction that every human life is sacred, that every person is made in the image and likeness of God and therefore deserving of reverence and protection. That belief is the reason the Catholic Church is the country's largest provider of social services, many aimed at eliminating the systemic poverty and health care insecurity that trap families in a cycle of hopelessness and limit authentic choice.

We also come to this dialogue as Americans, knowing that the principle that all human beings are endowed by the Creator with certain inalienable rights is enshrined in the Declaration of Independence, and that first among these is the right to life.

Make no mistake, because this ruling regrettably will have little impact on abortion in Illinois, as there are virtually no restrictions here, we will continue to advocate strongly for legal protections for unborn children. And we will redouble our efforts to work with all to build a culture that values the inalienable rights to life, liberty and the pursuit of happiness for all.

This ruling is not the end of a journey, but rather a fresh start. It underscores the need to understand those who disagree with us, and to inculcate an ethic of dialogue and cooperation. Let us begin by examining our national conscience, taking stock of those dark places in our society and in our hearts that turn to violence and deny the humanity of our brothers and sisters, and get to work building up the common good by choosing life.

### ALTAR SERVER TRAINING

It is hard to believe that it has been over two years since our wonderful team of Altar Servers last served at Mass on a regular basis. We are most grateful that the students at Sacred Heart School have returned to serving at the Wednesday Morning Mass and a few other liturgies.

As we have done with all our ministries during the pandemic, we have strived to keep everyone as safe as possible. We have been close to bringing back our Sunday servers several times, only to see a spike in cases in our area. Now we are more hopeful that this summer is a good time to begin rebuilding this ministry in our parish. Will you help us?

We are looking for students who will be in grades 4 through high school during the 2022-2023 school year. (Exceptions will be made for some household members who are in third grade and have an older sibling participating at the same Mass). We are asking everyone to go through a training session, even if you have been trained before, as there may be some changes or updates since the last time we offered a training session. We want everyone to be on the same page as this ministry returns.

As we did prior to the pandemic, a parent will be required to attend the training with their child. Our next training session is July 17 at 11:15 a.m. at Sacred Heart Church. Those able to also serve at St. Philip the Apostle at the 8 a.m. Sunday Mass are also asked to come for this initial session at Sacred Heart Church. If you are unavailable for this date, please email me and let me know to add you to a future training session. If you have any questions about the ministry, please do not hesitate to email me at [rvasdlen@divinemercynorthshore.org](mailto:rvasdlen@divinemercynorthshore.org).

My thanks,  
Ron Vanasdlen

Director of Liturgy and Music

### JOIN US FOR ADORATION

We gather on Wednesdays from 2-3:00 p.m. at Sacred Heart Church and on Fridays from 8:30-9:30 a.m. at St. Philip the Apostle Church. We hope you'll join us and spend some time with Jesus in the Blessed Sacrament!

### SANCTUARY CANDLES

Beginning July 1, a \$25 gift may be given to offer prayers for loved ones throughout the week. The Sanctuary Candle burns for 7 days near the Blessed Sacrament 52 weeks of the year at both worship sites.

Your gift of \$25 will be recognized in the bulletin/worship aid as follows: The Sanctuary Candle burns this week in memory of N.

If your intention is for a special event in someone's life, for example, the recognition would be: The Sanctuary Candle burns this week in thanksgiving for the wedding anniversary/baptism anniversary/confirmation anniversary, etc. of N.

### FLOWER DONATIONS

Also beginning July 1, a \$75 gift may be given for flowers for our worship sites. Sacred Heart Church can accommodate up to six gifts each weekend and St. Philip the Apostle can accommodate five gifts. These gifts, like the Sanctuary Candle, will be acknowledged (depending on printing deadlines) in the bulletin/worship aid as follows:

The flowers in the sanctuary are given to the glory of God in thanksgiving for the life of N., in celebration of (wedding anniversary), etc.

These intentions will also be remembered during the Universal Prayer during Mass.

You can make your donation and intention in the parish office or online at Give Central.  
<https://www.givecentral.org/location/205/allevnts> and select Flowers for the Sanctuary or Sanctuary Candles.

### A FEW WORDS FROM FATHER STEVE ON THE SITUATION IN UKRAINE

A few weeks back I preached about Aaron, a young person who got permission from his employers to take two weeks off from work in order to travel to Poland and help Ukrainian refugees. Aaron is the son of my best friend from high school, whom I've known all his life.

He has since returned from that humanitarian outreach but is currently planning on returning and continuing to help. One of the issues he discovered is the urgent need for battlefield medical kits to be used to stabilize those wounded by this war until such time as they can be sent out of the war zone for follow up treatment.

Hearing from my friend that his son has set up a GoFundMe account to raise money to purchase these kits, at my invitation Aaron is appealing to us for help. Aaron himself will travel with the kits he purchases and make sure they get to where they need to go.

This is definitely in line with one of the corporal works of mercy, healing the sick. Let's continue to pray for peace and do what we can to assist aid workers and volunteers addressing the needs of the Ukrainian people as they defend their country. The following comes directly from Aaron Espenschied.

~ ~ ~

As the news cycle moves on, the War in Ukraine is no longer at the forefront but it is still a very real tragedy which has no end in sight. During my time spent over there in May, I learned that much of the money and supplies which other countries are donating are hitting roadblocks in reaching the troops on the front lines or the civilians caught in the crossfire due to logistical issues and the Russian onslaught. I plan on returning to Ukraine in a few weeks but in the meantime, I am working to raise funds to purchase life-saving medical kits to take back with me. A description of those kits can be found on my Gofundme page.

Based on what I've learned from my interactions with those who fought on the eastern Ukrainian front, these kits are critical to keeping the wounded alive long enough to receive proper medical attention. I am currently working in conjunction with a Non-profit, to deliver the medical kits to those on the front who need it most.

Regarding my personal relationship with Father Steve, I have known him pretty much all my life. He was my father's best friend in High School as well as the individual who baptized me. When my sister got married this past September he served as the officiant for the ceremony. I have seldom met a more caring or compassionate man. I also appreciate his sense of humor.

I truly appreciate any and all donations, my personal Gofundme page can be found at:  
<https://www.gofundme.com/f/humanitarian-aid-volunteer-heading-to-ukraine>

Thank you and God bless you all!

### IN FIRST 4 MONTHS, UNCLE PETE'S MINISTRY MAKES 1,000 DINNERS!

Our parish began making Uncle Pete's sack dinners in April 2022. In just four months this ministry has created a sense of community among volunteers while making 1,000 meals to feed the hungry.

Although there are many places to distribute food, the Divine Mercy Outreach Board decided to focus on helping one of our existing community partners: A Just Harvest. This community kitchen in Rogers Park, just 7.5 miles from our parish, battles each and every day to feed the hungry.

Here is a quick look at what the Divine Mercy Uncle Pete's Ministry has done so far:

On April 4, our first effort, all the supplies were purchased by the Uncle Pete's organization. Carolyn Murphy, the coordinator of the ministry, came to our first session to show us exactly what to do. We had 24 volunteers that first evening, and we made 300 sack dinners. A Just Harvest reported that the sack dinners were well received.

For the second event, May 9, a generous donor offered to help us purchase items. Our efforts raised \$480.00, and the donor provided the balance we needed. Seventeen volunteers gathered and we made 300 sack dinners.

After the May event, we discovered a couple of challenges. A Just Harvest's non-perishable food pantry was completely empty, so Divine Mercy parishioners leapt in to help and within a few days a large load of food went down to Rogers Park. The downside of this was that our monthly Hunger Hero food drive, with donations going to our local food pantries, was noticeably smaller. We wanted to find a solution so that our parish's support of A Just Harvest would not impact our parish's donations to our local food pantries.

We also had a request from A Just Harvest to consider replacing the ham sandwiches with something else during hot summer months. After consultation with A Just Harvest and the Outreach Board, it was agreed that we would replace the sandwiches with tuna kits during June, July, and August, to make sure the contents of the sack dinners would be safe to eat despite high temperatures. This presented a challenge, since the tuna kits were a bit more expensive than the ham sandwiches. For the month of June we let A Just Harvest know that we would provide 200 sandwich dinners, so that our costs would be in line with the previous month. We had 27 volunteers in June.

Word about Uncle Pete's Ministry was spreading, however, and between our May and June dates we were blessed to raise more money than we needed to create the sack dinners. The question arose of what to do with the excess funds. In consultation with A Just Harvest and the Divine Mercy Outreach Board, it was decided that Divine Mercy would give A Just Harvest the excess money raised, so that they could purchase items for their food pantry through their vendors, thus purchasing at lower cost and without tax. On June 16th, we delivered a check for \$452.26 to A Just Harvest for their food pantry.

What's next and how can you get involved?

We are currently preparing for our next sack dinner making event, which will be July 11 at 7:00 pm in the Parish Center. In August, we will make sack dinners on August 8.

### THERE ARE TWO WAYS YOU AND YOUR FAMILY CAN HELP:

- 1) Donate to Uncle Pete's Ministry so we can purchase items for the sack dinners. Donations may be made through Give Central. If you would like to make an ongoing commitment to support the program monthly, that would provide much needed stability for this ministry. Any excess funds raised each month will go to the A Just Harvest food pantry. Donations may be made [here](https://www.givecentral.org/location/205/event/33526): <https://www.givecentral.org/location/205/event/33526>
- 2) Volunteer to make the sack dinners -- we have a really, really good time! We especially encourage families and youth to sign up so that they can take part in this important ministry.
