FOURTH SUNDAY OF EASTER

I am the Good
Shepherd, and
I know mine
and mine
know me.

John 10:14

THANK YOU FATHER DEAN!

FROM THE PASTOR'S PEN

FAREWELL FOR FR. DEAN

This past year due to the pandemic, I've been occupying my spare time, such as it is, with pursuits I would normally not engage in. For example, I've been re-reading a science fiction series that I have on the shelf, and listening to / watching (on YouTube) old musicals. Not so very long ago I watched a recording done at the Hollywood Bowl of "The Sound of Music." It was great. If you're familiar with this particular Rogers and Hammerstein musical, you know that one of the songs is "So Long, Farewell."

I'm reminded of this because this weekend we bid a fond farewell to Father Dean. He's reached retirement age and the Cardinal has granted his request to ride off into the sunset, so to speak.

I hope you are able to join in the festivities. Normally, pre-pandemic we would host a reception after a farewell Mass. Unfortunately, we are not able to gather at a reception. So we are doing what we did for Father Mike when he retired last year.

We're holding a drive-by parade in front of the Sacred Heart rectory going down Burr Street (which is one way, by the way, entering from Tower Road). Father Dean will be out front with a bucket of Holy Water, and as you say farewell he'll be happy to douse you with the Holy Water and bless you.

Someone will also be there with a basket if you would like to drop off a personal note or card to Father Dean. If you're not able to participate in the drive-by parade, you can always either drop off or mail in a card to the parish office and from there it will get to Father Dean.

Father Dean will be the main celebrant for the Saturday evening Mass on April 24 at 5:00 p.m., so you can also see him there. As with all our Masses these days, you'll need to register online in order to attend. The Saturday evening Mass, per usual, is being livestreamed.

Father is also scheduled for the daily Masses on April 26 and 27. If you're not able to attend the Saturday evening Masses, you can see him at those Masses.

Father Dean, it's been great having you here. We wish you all the best in well-deserved retirement. We offer you the traditional Latin congratulatory phrase: *Ad multos annos!*

SARTO FUND

A number of parishioners have recently donated gifts earmarked for the Sarto Fund. If you recall, this fund, established many years ago, is for the benefit of our own parishioners who are experiencing financial difficulty.

This pandemic has been difficult for all of us, but for some it's been devastating. If you are able to contribute to this special fund it would be much appreciated.

Thank you for your support of the parish in these challenging times! Thank you for helping those in need!

FAMILY DINNERS

In my homily last weekend, I made reference to the importance of families gathering for dinner. You've probably done more of this type of thing in comparison to pre-pandemic days due (at least in the initial months) to most things shutting down. Kids were less involved in sports during those months, and as a family you may have had more time on your hands, such that you could dedicate several evenings to family dinners.

I mentioned in the homily the following website: thefamilydinnerproject.org. Take the time to check it out. It's got all sorts of good information in it, including tips on conversation starters for families with young kids.

Having at least one meal a week with all the members of the family goes a long way to strengthening the family

itself and the individual members of it. Enjoy!

I leave you with this thought from Saint John Paul II: "The very experience of communion and sharing that should characterize the family's daily life represents its first and fundamental contribution to society. The relationships between the members of the family community are inspired and guided by the law of 'free giving.' By respecting and fostering personal dignity in each and every one as the only basis for value, this free giving takes the form of heartfelt acceptance, encounter and dialogue, disinterested availability, generous service and deep solidarity. Thus the fostering of authentic and mature communion between persons within the family is the first and irreplaceable school of social life, and example and stimulus for the broader community relationships marked by respect, justice, dialogue and love (Familiaris Consortio, 1981, nos 43.1-43.3).

Today is the World Day of Prayer for Vocations. Take a moment to pray for vocations. We need more of those Good Shepherds to lead us!

POPE FRANCIS ON TWITTER

@Franciscus

Being Christian is not first of all a doctrine or a moral ideal; it is a living relationship with the Risen Lord.

A TIME FOR GOING FORTH

There are many transitions in life from the moment we enter this world through our mother's womb. With a certain amount of pulling and pushing we enter into life as we know it. There are the stages of life that progress from that point on from going to school, high school and for some college. We enter the work force and through the blessings we have received we are able to succeed in life with our family and friends. Eventually there is a time when we may have the opportunity to retire and carry out a different aspect of life. Hopefully this is with the certitude of our health remaining good.

I have come to this stage in my life, where I have the opportunity to retire. It has mixed blessings for me. It is hard to see the friends of the parish go. Many people have been a part of my life. That experience is irreplaceable. It also brings back memories of the many people who have been a part of my priestly life for the past forty-two years. The many ministries that I have been involved in. As I was going through my folders of the things I have done over the years I couldn't believe it. I become aware of how I have changed and the things I have learned over the years. Including during this assignment. I am very happy that I continue to learn, because without learning we wither. I am grateful to all the people of Divine Mercy parish. I also know that life does progress on.

I am also grateful to God for the opportunity to be a part of the Church. When I considered entering the seminary I truly felt that it was God who wanted me to be God's servant as a priest. I am extremely thankful for that gift.

It has been especially challenging for us during this past year. All of us have had to adjust our lives with the pandemic. A year ago none of us knew what it would entail. It certainly has been an adjustment. In our social lives, in our work, and in our worshipping together.

I look forward to the future. Some of you may wonder what does a retired priest do? I plan on seeing some friends, travel and possibly look for a place to stay in Florida. I am not a cold weather person.

Thank you for the gift of being able to serve in this parish. I would like to thank Fr. Steve for all of his efforts and work trying to make Divine Mercy parish the best it can be. I will pray for you and for all God's people. May your love for Jesus continue to grow.

1. Ramen noodles;
2. Non-refrigerated Juice & juice boxes;
3. Cooking oil.

Sunday at SPA from 7:30 - 9:00 a.m.

DAILY MASS CHANGES, EUCHARISTIC ADORATION AND THE ROSARY!

We want to share some news and exciting changes! **Beginning Monday May 3, 2021**, our Monday and Thursday morning Masses at Sacred Heart Church will move to 8:00 a.m. to be consistent with the Mass times at St. Philip and to accommodate more parishioners.

In addition, we plan to reintroduce the **Wednesday morning Mass** (to the public) during the summer, while Sacred Heart School is not in session. This Mass will also be at 8:00 a.m. at

Sacred Heart Church **beginning June 16, 2021 and running through Wednesday, August 18th**. We will keep you apprised of COVID protocols for the school year in early August.

EUCHARISTIC ADORATION & THE ROSARY

Also beginning Wednesday **May 3rd**, Eucharistic Adoration and the Rosary will be offered at **Sacred Heart Church** from 2:00 p.m.—3:00 p.m. at Sacred Heart Church. Attendees will be required to enter via the Gathering Space and sign in per COVID guidelines.

Beginning Tuesday, **May 2nd**, parishioners will also be able to gather after Daily Mass at **St. Philip the Apostle Church** to recite the Rosary, as was the custom before the Pandemic. We strongly encourage parishioners who have attended morning Mass to remain in their same seats for the Rosary in order to help our Maintenance staff in disinfecting the church after the Rosary. Any persons participating only in the Rosary need to sign in (in the vestibule) per COVID guidelines. Thank you!

CHILDREN'S MINISTRY (RELIGIOUS EDUCATION/PREP)

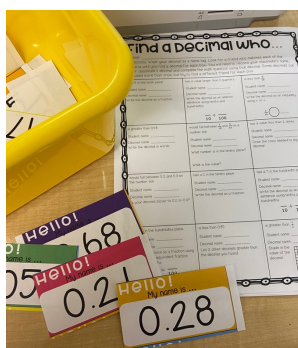

Confirmation 2021

A total of **67 young people from Sacred Heart School and Divine Mercy Children's Ministry** were confirmed this spring. Forty three children were from Children's Ministry, and due to COVID guidelines, they were confirmed in three separate Rite of Confirmation services. **Father Steve Lanza was delegated by the Cardinal to confer the sacrament.** Our young people prepared well over the past two years, and their sponsors, families and friends shared in the joy of this special moment in their lives. We are blessed to have beautiful music, churches to share meaningful liturgies, and young people who are ready to "Go Light the Way" with their love and faith. As we reminded them, Confirmation is not a singular sacramental moment in the life of a believer, but rather the continuation of the journey of the mature believer. Amen!

LOOK WHAT'S HAPPENING AT SACRED HEART SCHOOL!

The 4th graders participated in a fun activity to write, compare, order and model decimals.

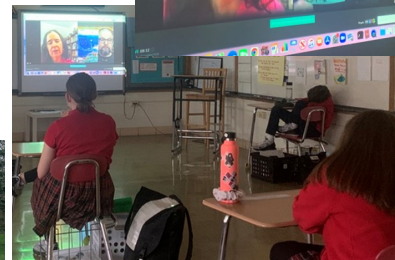

While studying Ancient Greece our 6th graders took a break to compete in our very own Olympic Games! The students studied the strategies used by the five Greek territories and constructed their own game plan to compete in our best event- Paper airplane racing!

1st grade geologists wrote a nonfiction book about rocks, explored how rocks are formed, collected rocks, and created a pet rock!

Students had an amazing start to our golf season on Monday! They are looking forward to more fun on the links and at the range.

7th grade had an amazing opportunity this week to Zoom with one of their favorite authors, Alan Gratz. He spoke to the students about what inspires him to write and gave information on each book that he has written. Alan Gratz specializes in showing historical events from the perspective of children, so the students love to read his works! The students were then able to check out some of his books from the junior high library. Thank you to the Book Stall in Winnetka for providing this amazing opportunity for students!

6th and 1st grade students celebrated Father Dean's final school Mass on Wednesday presenting him with a signed banner and handmade farewell and congratulations cards. God bless Fr. Dean on his retirement!

The **Sacrament of Reconciliation** is offered at both of our worship sites. Sacred Heart Church offers the Sacrament on Saturday mornings between 9:00 a.m. and 9:30 a.m. and at St. Philip the Apostle Church on Wednesday afternoons with Fr. Please know that if it has been a while since your last confession, "Do not be afraid!" (Matthew 14:27). *The priest will help guide you.*

A suggested Act of Contrition is:
My God, I am sorry for my sins with all my heart. In choosing to do wrong and failing to do good, I have sinned against you whom I should love above all things. I firmly intend, with your help, to do penance, to sin no more, and to avoid whatever leads me to sin. Our Savior Jesus Christ suffered and died for us. In his name, my God, have mercy.
