NINETEENTH SUNDAY OF ORDINARY TIME

JOHN 6:47

## FROM THE PASTOR'S PEN

### NEW WINE, NEW WINESKINS

As a scriptural prelude to what I'm about to share with you, I refresh our memory of what is recorded in Matthew 9:16-17. Jesus responds to a question put to him by the disciples of John the Baptist who wonder why John's disciples fast but Jesus' disciples do not.

Jesus says, "No one patches an old cloak with a piece of unshrunk cloth, for its fullness pulls away from the cloak and the tear gets worse. People do not put new wine into old wineskins. Otherwise the skins burst, the wine spills out, and the skins are ruined. Rather, they pour new wine into fresh wineskins, and both are preserved."

After several discussions which initially were undertaken not long after the merger of St. Philip and Sacred Heart and continuing recently, the Senior Leadership Team has decided that we will, as a new parish, put to rest all of the former special events associated with the former or old parishes of Sacred Heart and St. Philip the Apostle. What former special events are we referring to? To name a few: Oktoberfest, Advent by Candlelight, Pancake Breakfast, Mass in the Meadow, Women's Guild Luncheon, St. Patrick's Day Party, and Pastapalooza.

The reasoning behind letting go of these former special events is not simply because all of them were associated with the now defunct parishes. If that were the only reason, it probably wouldn't be a good enough reason.

The more significant reason for respectfully laying them to rest is because our new parish of Divine Mercy is re-focusing and re-doubling our energies and efforts in three key areas of parish life that will serve us better. Those three key areas are 1) the weekend experience of Saturday/Sunday liturgy, 2) Alpha, and 3) after Alpha continuing formation.

To do so, we need to mobilize a great many of our lay leadership to become involved. We want to create a cadre of Greeters who will welcome people coming into our churches for Mass, as well as lay people who will mount the effort for hospitality after Mass. We also want to expand efforts to invite people into Alpha. After participating in Alpha we want to continue to involve people in further spiritual formation. All of this requires the ongoing time and energy of folks who are laser-focused on our parish vision. It is vision which propels us forward because vision tells us where we want to end up.

As Jesus says, new wine deserves new wineskins. Our new parish deserves to create new traditions and a new culture of involvement and excitement that draws people into our stated vision of who we are as a parish. That vision was formulated by the staff, the Senior Leadership Team and the Parish Council as: "Divine Mercy Parish is a welcoming community that inspires disciples of Jesus to share God's love and transform the world."

To my mind, our parish vision statement speaks about renewal of minds, hearts and lives that are centered in the living Jesus, Risen and Lord. He is the center of our lives. We are convinced of that. In turn, that conviction radiates outward as we are inspired to share the good news of God's love through our words, deeds and good example. As we become more transparently bearers of and witnesses to the good news of salvation in Christ, others will be attracted to us and to our parish. Thus, a good deal of our efforts will focus on the weekend experience, to make it the most vibrant encounter

with the Lord Jesus that it can possibly be here at Divine Mercy. Meanwhile, we will also mobilize our lay leadership to continue offering Alpha and after-Alpha formation.

**(Continued on next page)**

### THE WEEKEND EXPERIENCE

In the accompanying column I talk about the weekend experience of liturgy being one key area that we want to focus lots of energy on. There are all sorts of ideas and guidance in Father James Mallon's book *Divine Renovation* on improving the weekend experience.

Some we have already been working on, for example, introducing Praise Music at Mass and trying out Name Tag Sunday. We've also taken the first steps to beef up our Greeter Ministry to welcome folks to the liturgy. Now that the pandemic restrictions have been lifted, we are also beginning to offer some hospitality after Mass.

These are all just a start. We've got a ways to go in implementing ideas to make the weekend experience better. For example, we'd like to work on a more thematic message series where a theme would be developed over a series of Sundays in the homilies. We'd also like to see many more lay witness talks at Mass. We'd also like to encourage Prayer Partners at our weekend Masses.

The only way we will be successful with our renewal and evangelization efforts is if we begin to engage with one another more and more, especially before, during and after weekend Masses. As we grow stronger in our faith and share that faith with one another, we will be given courage to share with others who are either lukewarm in faith or who do not know Jesus at all. As we create a warm, welcoming atmosphere at liturgy others who are "checking us out" will be drawn in because they too want to experience what we ourselves experience and radiate.

## OUR VISION STATEMENT

**Divine Mercy Parish is a Welcoming Community that Inspires Disciples of Jesus to  
Share God's Love and Transform the World.  
Making Disciples • Building Church • Serving Others**

## FROM THE PASTOR'S PEN

Finally, together we will create new special events that, while not directly related to the weekend Sunday experience, bring people together and cultivate a strong community of disciples, making of this parish a "home base" for followers of Jesus.

### A PEEK AROUND THE CORNER

The Parish Council continues to work on an over-all strategic plan for the parish. The Council has been working very diligently and I am very encouraged by the direction of our discussions. I see no reason why we cannot have a strategic plan formulated within the next handful of months.

At the same time, staff members will be reaching out to parishioners to invite them to become members of some new lay boards. We already have a School Board and a Children's Ministry Board. The new boards being created will be a Liturgy Board, a Communication Board, an Evangelization Board, and a Service and Outreach Board.

Just as the current School and Children's Ministry Boards enables laity to partner with staff to collaborate in the work of those ministries, so too will the newer boards facilitate greater collaboration between staff and laity.

The formulation of a strategic plan, the new boards which are being created, and the focusing of our energies into the three key areas of parish life I mentioned above, will serve Divine Mercy Parish as we seek revitalization in Christ.

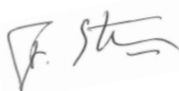

### TRANSFORMATION

Yes, change is difficult. But change is also necessary.

We cannot keep holding onto the past, putting our efforts and energies into former ways of doing things and expecting new outcomes. Jesus, in the Gospel of Matthew, is absolutely correct. New wine, new wineskins!

If we want new and exciting outcomes, we must try new and exciting things!

Let's continue to put our heads and hearts together as we grow ourselves: making disciples, building Church, and serving others!

### NEWS FROM

#### MAUREEN VALVASSORI

After 18 years of ministry, in a variety of roles and parishes, I will be retiring on September 1st.

I am so grateful to the staff of Divine Mercy Parish. Truly they are the best I have ever worked with and have become more like family than colleagues.

In addition, I am constantly moved by the depth of caring among Divine Mercy parishioners. Whenever there is a need, Divine Mercy parishioners show up!

And last, it has been my great joy to work side by side with my Dad, Deacon Mike McNulty. I know I am biased, but I believe most everyone would agree he is the best in the "business".

I look forward to transitioning from staff to parishioner. See you in church!

### MASK UPDATE

The Archdiocese of Chicago, consistent with the Illinois Department of Public Health and the CDC, strongly recommends all persons entering the Church, parish offices, school or other public spaces wear face masks beginning today, regardless of vaccination status.

As Catholics who cherish every human life, the Church urges anyone who has not been vaccinated to please do so for the safety of all. Approved vaccines are free and easily obtained. As Pope Francis has said, "I believe that morally everyone must take the vaccine. It is the moral choice because it is about your life but also the lives of others." As disciples of Jesus, who preached and lived kindness for our brothers and sisters, we can do no less.

Thank you for your understanding and cooperation.
