FROM THE PASTOR'S PEN

THE NEW "FRONT DOOR"

The coronavirus has afflicted many. It has killed a staggering number of people. If that's not bad enough—and it is—the coronavirus has also had a devastating enforced isolation upon all of us.

Most of the venues by which we experience community are shut down due to the pandemic. Now with some nasty winter weather storms this past weekend the isolation feels even worse.

Those of us in church world often talk about the value of community. It is a value we hold dear. After all, we are created in the image and likeness of God whose characteristic is Trinitarian, three divine persons in one God. That is the ultimate community in whose image we are made. There is built within us the desire for and the urge to be community, that is, union with others and, in heaven, union with God.

The isolation forced upon us as we fight against the spread of the virus saps us precisely because as human created in the image and likeness of the divine we gravitate toward each other. We need each other. Without community we are less than we are meant to be.

So we find other ways to be in community, other avenues for being together and congregating, like Zoom gatherings. This past week alone I participated in five different Zoom meetings.

A number of commentators on church life have remarked that the digital world is becoming the new front door of the church. Yes, there will always be a place for in-person gatherings of committed Christians. As Catholics, the only way we can participate in the sacraments is in-person. Sacraments are tangible, touchable, physically experienced in the here and now. We talk about a spiritual communion, and in fact, there is a prayer which expresses this that is read at all the Masses which are livestreamed for the

benefit of those not physically present. However, to actually receive Holy Communion, one must physically partake of the "meal come down from heaven." There is no substitute for that physicality.

Nonetheless, the pandemic has exposed what is becoming increasingly clear: that the digital, virtual world isn't going to go away and that electronic world may be very important, indeed, critical in spreading the Good News of Jesus Christ. Websites, social media sites, livestreaming Masses and other church events will increasingly be the way in which we reach out to those who are not necessarily members of the Church but who are interested in us and who are exploring the rich spirituality we have to offer.

ALPHA ONLINE

Another example of a virtual platform that can function as the new front door of the church is the Alpha program. We're offering it again, online. It's not too late to join.

If you are someone you know is interested, please check out the directions at the conclusion of this column to find Alpha online. There is no commitment other than to try it out. If you like what you experience,

attend virtually the next, and the week after.

It may be just the thing you need to combat the effects of isolation brought on by the pandemic. If Alpha can assist you in lifting you up and putting you in the presence of others who are seeking a spiritual uplift, then it will have accomplished one of its goals which is to put us in touch with the Good News.

Happy Alpha-ing to you all! I know I just created a new sort of verb there. Hey, but why not? If people can now talking about Zooming, why not Alpha-ing!

To participate in our Online Alpha, contact Sue Lehocky at 847-881-6664 or slehocky@divinemergynorthshore.org.

2021 ANNUAL CATHOLIC APPEAL

COME, FOLLOW ME ... AND BRING HOPE TO THE WORLD

We invite you to spend some time this week reflecting on the Annual Catholic Appeal materials you should have received in the mail or read here. The Annual Catholic Appeal is much different than a one-time special collection: It is a pledged commitment to make a gift over time. Your pledge can be made payable in installments.

Each pledge makes a difference because all parishes participate in the campaign and the gifts of many enable our archdiocese to deliver needed ministries and services to answer the call of Jesus to "Come, follow me ... and bring hope to the world."

If you received your pledge form in the mail, please complete it and mail it back. This year, we also encourage our parishioners to make their Annual Catholic Appeal gifts online: <http://annualcatholicappeal.com>

WANT TO LEARN MORE BEFORE YOU ATTEND?

To help you get a better sense of what Alpha is, we have more information below. [Visit our website for more resources and video testimonials](#). If still have questions, feel free to email [Sue Lehocky](mailto:SueLehocky@divinemercynorthshore.org) at slehocky@divinemercynorthshore.org or call 847-881-6664.

WHAT IS ALPHA?

Alpha is an opportunity to explore the big questions of life. What is my purpose? Why is there suffering?

WHO'S IT FOR?

Absolutely anybody! it is for anyone at any point in life – no matter what you believe or don't believe. Those who attend Alpha come from all backgrounds, religions, ages, and viewpoints. Whether you consider yourself a skeptic, curious about faith, a growing Christ-follower, or a life-long Christian, Alpha is a place to interact with others and learn from different perspectives. Alpha is where you can grow in your understanding and knowledge of who God is and what the Bible

communicates about His purpose for all of us.

HOW DOES IT WORK?

Each session includes a short video followed by a chance to share thoughts and ideas on the topic, and discuss in a small group. There's no obligation to say anything, there's nothing you can't say (seriously) and there's no such thing as a silly question. It's an opportunity to hear from others and contribute your own perspective in an honest, friendly and open environment. So grab your preferred refreshment and join us online via Zoom!

WE HOPE TO SEE YOU THERE!

HEAR FROM SOMEONE WHO RECENTLY PARTICIPATED IN AN ONLINE ALPHA!

My name is Sandy Norbot, and I am here today to share my Alpha experience.

I was part of Alpha Online last Spring. Prior to that, I had declined invitations to Alpha. I thought I didn't have time, or couldn't get away from household chores, errands, the kids. How could I sacrifice an hour plus each week, just for myself?

Well, we all know what happened in the Spring of 2020. I had no more excuses!

In case you haven't heard of Alpha, it is a place to explore the Christian faith with others – and all are welcome –those who have been far away from faith, those who have questions, as well as those of us who want to deepen our faith.

You may have realized some silver linings in the past 10 months.

Alpha, was one of mine. I got to know people I wouldn't have had the opportunity to meet otherwise. Each week we shared thoughts, feelings, stories, and prayer. I learned something from each of them, and I admired something about all of them. I carry the experience with me as I continue to develop my own relationship with God.

Alpha is now running online very successfully. Over 2,000 Alphas have run online around the world. People, especially those with busy schedules or who live in other parts of the country, have enjoyed coming together from the comfort of their own homes.

And this year more than ever, people are looking for hope, peace, love and joy. Alpha is an opportunity to invite your friends, family, neighbors and coworkers to hear the gospel, share faith, ask questions, and explore a relationship with Jesus. And you're invited to join them!

Maybe you are feeling like you need some "self-care" for your spirit. Join us on Monday, February 1st to "come and see" what it's all about. You can check it out and see if it's right for you. Invite a friend and come together!

Thank you for your time this morning.

CHILDREN'S MINISTRY (RELIGIOUS EDUCATION/PREP)

Dear Families,

Get ready for a special at-home, family based Safe Environment Training (SE) event!

What is SE Training? It's a required program designed to teach children skills to protect themselves and encourages them to disclose any troubling information to a safe adult, particularly their parent(s).

Until last year, SE Training in the Children's Ministry Program was done with a single group for each grade, K-8. But the remote learning due to COVID-19 makes that impossible, and Zoom doesn't really work — our children are already "Zoomed out" from school work!

So the Archdiocese is allowing us to try something different this year: a pre-packaged, 3-step, home-based lesson that can be done a little at a time, or all at once. It's an authorized modification of the Virtus *Empowering God's Children* program.

The program empowers both children and their parents. Here's how:

- It recognizes that parents are the most important and influential person in their child's life.
- It stresses that every child is special in God's eyes and deserves to be safe and protected, wherever they go and whatever they do.
- It uses a short, age-appropriate video to demonstrate the rules and tools children can use to protect themselves wherever they go, including on line.
- It has engaging follow-up activities that reinforce the message of the training.
- It has an adaptable, family-focused discussion guide that gives you, as parent, tools and encouragement to discuss safe environment rules, whether in a quiet conversation with one child, or in a dinnertime conversation with the whole family, regardless of how many children you have and how old they are.
- It has a timeless message that works as everyday guidance, while providing tools for parent and child to draw on in the event abuse is encountered.

We have only one goal — to protect each and every one of our children and to ensure that you have the best tools to communicate this vitally important information. Watch for the lesson materials the week of February 21!

LOOK WHAT'S HAPPENING AT SACRED HEART SCHOOL!

Our 8th graders all dressed up for their final Sacred Heart yearbook pictures!

A perfect socially distanced volleyball game between the 8th graders was watched via Zoom by the entire school!

The first graders finish their polar bear unit by making a polar bear book and polar bear paintings!

On Tuesday of Catholic Schools Week the theme was "teamwork." Putting that theme in action, the 7th grade religion class played a variety of team building games like the one pictured... the *Flying Pen*! They also played *Follow the Details*, *Race to 40*, and *Roll the Dice to Break the Ice*!

WE ARE HAVING SNOW MUCH FUN!!!

The **Sacrament of Reconciliation** is offered at both of our worship sites. Sacred Heart Church offers the Sacrament on Saturday mornings between 9:00 a.m. and 9:30 a.m. and at St. Philip the Apostle Church on Wednesday afternoons with Fr. Javier Del Castillo from 3:00 p.m.-4:30 p.m. And there is no need to make a reservation! We remind everyone to wear a mask, and that you'll be greeted by someone from our reopening team.

Please know that if it has been a while since your last confession, "Do not be afraid!" (Matthew 14:27). *The priest will help guide you.*

A suggested Act of Contrition is:

My God, I am sorry for my sins with all my heart. In choosing to do wrong and failing to do good, I have sinned against you whom I should love above all things. I firmly intend, with your help, to do penance, to sin no more, and to avoid whatever leads me to sin. Our Savior Jesus Christ suffered and died for us. In his name, my God, have mercy.
