### SIGNS OF LIFE

Good things are happening at Divine Mercy parish, things that are harbingers of renewal and vibrancy. So, for example, as I write this column I can see a family gathering in the parking lot outside the Sacred Heart Church offices. They're getting out of multiple cars and heading into the church for the Baptism of an infant.

We've had a whole bunch of Baptisms of babies recently, at both church sites. This bodes well for us.

The sacrament, of course, is a sign of literal life, a brand new life brought into the world, when the subject is an infant (versus adults who have been around for a while who are baptized later in life). The sacrament is also a sign of the new life in Christ as one is incorporated into the Paschal mystery and the floodgates of God's grace showers the infant or the adult with many blessings and the prospect of the gates of heaven opening to us.

Another sign of budding new life and vibrancy can be seen in the on-going strategic planning process that at the moment is in the hands of the Parish Council. This past weekend was a critical moment in that process.

The Council met on Friday night for dinner and prayer. The evening was beautiful, so we were outside for the meal, in the backyard of the rectory at the Sacred Heart campus. Afterwards, we gathered in the church to pray. We invoked the Holy Spirit, asking God to send us wisdom, courage and insight as we took the next step in the strategic planning process.

The process itself, as facilitated by Missy Grant (from an experienced Divine Renovation parish), is key in

developing a five-year plan for the parish. A major component of the process, however, is found in prayer. We're not going to improve or grow without us praying a whole lot and asking God for his help as we figure out our way forward.

We are not a business, and our people are not consumers. We are the household of God, a parish community. The foundation of who we are and who we will become as a parish rests in the hand of God, which, in turn, means that we must petition heaven and pray, pray often and deeply, if we expect to be vibrant and renewed in the years ahead.

After Friday night's dinner and prayer session, the Council met all day on Saturday. I couldn't be happier, in that the members of the Council worked hard and we achieved what we set out to do in this day-long set of discussions and discernment.

We now have a set of objectives for each of the five "systems" of the parish, those systems being: evangelization, discipleship, community, ministry and worship. The objectives were the result of a lot of previous discussions that worked through a SWOT analysis of each system, SWOT standing for: strengths, weakness, opportunities and threats.

In other words, on Saturday we put together all the past months of analysis and discussion in order to determine the broad objectives for each of the parish systems. In the months ahead, the Council will drill down into those objectives and identify concrete measures to achieve them and also the specific measures by which we will know whether or not we

are successful in getting to those objectives. Some of the groundwork for the months ahead was laid on Saturday.

I want to, once again, thank the Council members who participated on Friday and Saturday. It's not an easy thing to step aside and immerse oneself all day in church stuff, but it was absolutely necessary to produce the momentum as we discussed and hashed out things system by system.

There are other fantastic signs of life in Divine Mercy Parish, such as our energetic grammar school filled with a whole lot of young folks who are happy to come to school each day, our children's ministry which is kicking off shortly, and our newest Alpha course (a virtual session and an in-person session) which starts up again this week.

Good things are happening here.

### KEEP PRAYING

Let's all join in and invoke the Holy Spirit, asking God for continuing guidance and energy as we forge ahead!

Come, Holy Spirit, and kindle in our hearts and minds an everlasting love, a transforming love of Jesus so strong that we cannot but share it with all those we meet.

## COMMUNITY

### WE INVITE YOU TO PARTICIPATE IN ALPHA THIS WEEK!

What is it? Alpha is an opportunity to explore life and the Christian faith in an open and informal environment. Alpha runs in churches, bars and coffee shops all over the world. Alpha sessions consist of sharing a meal with other members of the group, enjoying a short video and a discussion where you can share your thoughts in a small group. Alpha is for anybody and everybody who wants to know more about the Christian faith or simply grow in their faith.

There's no judgement, no pressure, no charge and it's FUN! Alpha in the Catholic Context is run around the world, and all have three things in common: good food (if you're in-person), a video and good conversation.

We believe Alpha is a key component of what the future holds for us as Divine Mercy parish. It's a wonderful opportunity to get to know people in our faith community, whether they are from St. Philip or Sacred Heart. Come and check it out! No matter who you are or what you believe, everyone is welcome...Catholic or not...practicing or not...or simply curious...Join us! You'll love the food (if you join us in-person), the videos and the conversation.

Everyone should have the chance to explore the Christian faith, ask questions and share their point of view.

### COME AND SEE WHAT IT'S ALL ABOUT!

**ONLINE** - Monday, September 20 @ 7pm or

**IN-PERSON** - Wednesday, September 22, 9:30am at the Sacred Heart Parish Center, Corner of Burr & Gage in Winnetka.

You can register [HERE](#) to save your spot or use the QR code below.

Have questions? Contact Sue Lehocky: slehocky@divinemercynorthshore.org or call 847-446-0856. We'll be glad to answer any questions!

### WHY SOME FELLOW PARISHIONERS THINK YOU SHOULD ATTEND ALPHA:

*If you yearn for greater purpose and meaning in your every day, consider trying Alpha. After the first gathering, you will sense the potential impact on your life. For me, it was an unexpected and profound gift!* Aimee G.

*I so enjoyed our small group sessions. It was a place to share, support, and strengthen the bonds of our Catholic Community.* Dona C.

*I had no idea what to expect but was pleasantly surprised. It helped me review my faith on another level and talk with others about it. I also was very surprised about the number of fellow Parishioners that attended.* George K.

*Alpha was the first experience that helped me to find a path to forgiveness in my heart. It would not have happened without the inspiring people I shared the Alpha journey with or the amazing overnight retreat. It was truly a life-changing experience.* Kirsten L.

*When I signed up for ALPHA, I did not appreciate what I would experience. The program was a great way to get to know other parishioners. We became a closer group as the weeks went by. The videos were very powerful means to remind us of how wonderful it is to be a Catholic.* Joe M.

## TO HAVE A CHURCH

Have you already  
experienced Alpha?  
If so, keep  
reading...

Jesus' final command before ascending to heaven, is to "Go therefore and make disciples of all nations..." (Matthew 28:19). It's known as the Great Commission, not "the really good suggestion". Why? Because Jesus entrusted his disciples with a partnership in the salvation of the world. The transmission of the Gospel message depends on **US**. Jesus is counting on us to reach a particular person or persons with the message of His love and redemption. But how do we go about this?

### Just invite someone.

Inviting someone to come to Mass might be a little too intimidating for someone who is unfamiliar with liturgy. But inviting them to dinner? That's easy. Non-threatening. At Alpha you can bring your friend, co-worker, colleague, hairstylist, daughter's boyfriend, or the UPS driver for a meal! You'll be greeted by really friendly people and, if you're in person, have a great (free) meal! You'll watch a video on the very basics of the Christian faith, then have a chance to discuss it with your tablemates. And any and all questions and comments are allowed! Seriously. At Alpha, everyone gets a chance to voice their thoughts and be heard, without judgement. Alpha is a place to have a meaningful conversation, and to explore the biggest questions of faith. It's a welcoming place to begin a journey that will change a life forever.

### POPE FRANCIS ON TWITTER

Organized and efficient structures will not suffice to improve our life as a human community. We need the flavour of solidarity: society rediscovers its flavor through the gratuitous generosity of those who spend their lives for others. #ApostolicJourney
