## FROM THE PASTOR'S PEN

### STEP FORWARD

On Monday, August 23rd the Parish Council met. It was a great meeting and, I think, a turning point in the life of the parish.

I say that because of the quality of the meeting itself. Members of the Council truly seemed to listen to each other and arrive at a consensus, a consensus which is critical to the success of our strategic planning process.

The Council has been involved in this planning process since the fall. It's been almost a year since we embarked on this process. It's not been without its fits and starts, it's two steps forward and one step back.

Any sort of communal discernment like the one in which the Council is engaged, will have its ups and downs, especially these days in the world and in the Church where the answers are not readily apparent. Secularism and the general decline in religious practice in North America and Europe confront us with a situation the Church has not experienced since the early days of Christianity.

So the way forward to parish revitalization and renewal is not readily apparent and cannot rely on the traditional parish practices that enabled the Church and parishes to flourish in the last century. It's simply a different sort of world in which we find ourselves, and therefore we are on new ground, charting a course in uncharted territory.

### WHAT HAPPENED THAT MONDAY NIGHT?

Well, aside from what I said earlier about the members of the Council truly listening to each other and coming to consensus, what happened is that they set the groundwork for a day-long meeting that will take place on Saturday, September 11th. In that day-long meeting the Council will articulate steps that lead us to parish objectives we want to accomplish over the next five years.

The Council prioritized the five parish systems, that is, which system we will focus on in the first year, the second, third, fourth and fifth year of the plan. Those systems are what make us a parish, much like the body's nervous, endocrine, vascular, and other systems, make it what it is.

The systems that make us who we are as a parish are: community, ministry, worship, evangelization and discipleship. In delineating these five systems, I have not put them in order of priority as given by the last Council meeting.

I don't mean to be a tease, but I want to wait until the plan is fleshed out a bit more before I share with you the results of Monday's discernment. That way, I can also include "the meat on the bones," so to speak, giving you a bit more detail.

My point here is to simply say that last Monday's meeting was very fruitful and will lead into the final parts of the

process for articulating a strategic plan. Kudos to all the members of the Council! Great work!

Finally, please pray for the Parish Council as we gather together on September 11th to chart the course for our future. Pray that the Holy Spirit inspire and guide us as we continue God's work to renew our parish and our church.

### RESPECT LIFE PRAYER:

That in our lives and in our laws, we may never discriminate against the poor, the immigrant, or the unborn, we pray to the Lord.

### POPE FRANCIS ON TWITTER

What is the secret of a blessed life, a happy life? Recognizing Jesus as the living God. For it is not important to know that Jesus was great in history. What matters is the place I give him in my life.

## JOIN US FOR ALPHA!

We invite you to join us for Alpha. What is Alpha? It's an opportunity to explore life and the Christian faith in a friendly, open and informal environment. Each session includes a short video and discussion where you can share your thoughts in a small group. The in-person sessions even include a wonderful meal! There's no pressure, no follow up and no charge! Alpha is run around the world. No two Alphas look the same, but generally have three key things in common: good food, a video and good conversation. Come & See! No obligation!

We believe that Alpha is a key component of what the future holds for us as we build our new reality as Divine Mercy Parish. It is a wonderful opportunity to get to know others in our faith community. **ALL ARE WELCOME!**

## OUTREACH

### SO MANY NEED OUR HELP

We realize that so many of our outreach partners need help as of late: St. Moses the Black and Augustus Tolton Catholic Academy; A Just Harvest; New Trier and Northfield Township Food Pantries; the Fr. Paul Foundation, St. Benedict the African, St. Jean Baptiste in Haiti and Connections for the Homeless. And there are so many more entities that need our help: refugees from Afghanistan; victims of Hurricane Ida; the Women's Center; Misericordia; Bethany House of Hospitality; Big Shoulders and Catholic Relief Services.

The "asks" seem constant, and we don't always know who to help first. But God can help. Prayer helps us discern how God is calling us to act. Many of us have our "favorites"; those charities that garner our attention and our hearts. Every act of kindness and generosity makes a difference.

St. Teresa of Avila once said: "Christ has no body now on earth but yours; no hands, no feet but yours. Yours are the eyes with which Christ looks out his compassion to the world. Yours are the feet with which he is to go about doing good. Yours are the hands with which he is to bless us now." All we can do is be the hands and feet of Christ in this moment.

Finally, please know that we are grateful for whatever you can do to help our brothers and sisters in need, where ever they might be. We are amazed at your generosity. Divine Mercy always rises to the occasion, and we cannot thank you enough!

**The Women's Center** - dedicated to saving the lives of unborn children threatened by abortion through the most effective, morally acceptable means of reaching, informing and helping their mothers and families with appropriate loving alternatives. <https://gotwc.org/about-us/>

**St Jean Baptiste Parish in Sassier, Haiti** has been the twin parish of Sacred Heart since 1998. A 7.2 magnitude earthquake struck Haiti on Saturday, August 14th, damaging the church and many homes of parishioners.

A generous donor established the "SassierStrong" Challenge Grant to \$20,000, so any donation to this cause is automatically doubled. How can you give? Visit: <https://www.givecentral.org/location/205/event/3319> or Click [here](#) for our Give Central site for Haiti.

Rev Paul Satkunanayagam, SJ. lived in the Sacred Heart Rectory for 4 years several years ago, while taking graduate level courses at Loyola University and helping out at the Church. **The Father Paul Foundation** supports efforts to make peace in his native Sri Lanka, a country torn apart by civil war and still dealing with the impact of the 2004 Tsunami. He established the world acclaimed Butterfly Peace Garden to restore normalcy in the lives of child soldiers. He built facilities to house orphans and created programs to help widows become self sufficient. And, as a pastoral counselor and psychologist, he founded a professional counseling center to counsel the displaced victims of war. Currently people are starving in Sri Lanka as they deal with the aftermath of COVID19. To make a donation to the Fr. Paul Foundation, visit: <https://www.givecentral.org/location/205/event/9840> or click [here](#). **THANK YOU!**

Last month we held a school supply drive for **Augustus Tolton Catholic Academy (ATCA), the school of St. Moses the Black (formerly St. Columbanus)**. Thank you for your donations! They were received with open arms! ATCA informed us later that they were short about 60 backpacks for their school supply distribution event. As a result, Divine Mercy sent them a check for \$1500 to cover the cost of purchasing backpacks for the students. Thus, **if you'd like to make a donation** towards this effort to cover the shortfall, we and the students of ATCA would be most grateful! If you can help, make a donation via our safe GiveCentral portal (or by clicking [here](#)), or by sending a check to the parish with ATCA in the memo line. **Thank you for your generosity!!**

Each month, Divine Mercy conducts a collection for one of the pantries we serve: A Just Harvest Community Kitchen in Rogers Park, Northfield Township Food Pantry, St. Moses the Black (formerly St. Columbanus) Food Pantry or the New Trier Township Food Pantry. Our Children's Ministry program has also supported Connections for the Homeless in Evanston. Watch for signs and communications each month outlining specific needs. We are ever so grateful for all your donations!

**Bethany House of Hospitality** - Offers housing and support services to young immigrant women as they journey to independence. <http://bethanyhouseofhospitality.com/>

**Catholic Relief Services** - Reaching the people of Afghanistan, Haiti, Ethiopia... <https://www.crs.org/>

## CHILDREN'S MINISTRY (RELIGIOUS EDUCATION/PREP)

### *Archdiocese of Chicago Names a New Youth Leader from Divine Mercy Children's Ministry*

Each year the Archdiocese of Chicago presents Youth Leadership Awards recognizing the outstanding ministry and service performed by youth in Vicariate II. **Matthew Compton** was nominated by Divine Mercy Parish to receive the award in the area of Catechesis for his service as a catechist aide.

Our Vicar, Bishop Bartosic, is enthusiastically behind this important acknowledgement of our youth. These are youth who shine brightly in our parish, school, and local communities. Matthew has served as a catechist aide, lector, altar server, office helper, usher and more. He even assisted Father Dan behind the scenes with the Christmas Eve Mass setup and learned how to burn incense, which he called a very special experience! We are inspired by the many contributions Matthew has made to the parish and look forward to his continued involvement. Here are photos of the Mass where Father Steve bestowed the award.
